**False Alarm.**  
 A false alarm of fire was raised about  
 3 o'clock yesterday, which had the ef-  
 fect of causing the fire department to  
 turn out. The alarm was occasioned  
 by a bonfire made by some boys in the  
 Fourth ward. One of the hose pipes  
 was fastened to a fire plug in Third  
 street and a great crowd congregated  
 to see the firemen throw water on the  
 opera house. The pressure from the  
 water works was powerful enough to  
 throw a stream on top of the building.  
 Much amusement was created by those  
 handling the nozzle turning the  
 stream on the crowd, who took it  
 good-naturedly and greeted each man  
 who reeled a ducking with rounds  
 of laughter.

The elegant dinners the Cafe serves  
 are only fifty cents. Meals served to  
 order. Corner Third and Houston

**PRICKLY  
 ASH  
 BITTERS**  
 The majority of the ills of the human  
 body arise from a derangement of the  
 Liver, affecting both the stomach and  
 bowels. In order to effect a cure, it is  
 necessary to remove the cause. Irregu-  
 lar and sluggish action of the Bowels,  
 Flatulency, Sickhead at the Stomach, Pain  
 in the Back and Loins, etc., indicate that  
 the Liver is at fault, and that nature  
 requires assistance to enable this organ to  
 throw off its impurities.  
 Prickly Ash Bitters are especially  
 compounded for this purpose. They are  
 mild in their action and effective as a  
 cure; are pleasant to the taste and taken  
 easily by both children and adults. To-  
 ken according to directions, they are a  
 safe and pleasant cure for Dyspepsia,  
 General Debility, Habitual Con-  
 stipation, Disordered Kidneys,  
 etc., etc. As blood purifiers they  
 are superior to any other medicine,  
 cleansing the system thoroughly, and  
 imparting new life and energy to the  
 invalid. It is a medicine and not an  
 intoxicating beverage.  
 Ask your druggist for PRICKLY ASH BITTERS,  
 and take no other. PRICE, \$1.00 per Bottle.

 'Prickly Ash Bitters' for the past seven  
 or eight years, and consider them one  
 of the most reliable proprietary medi-  
 cines I handle, as is evinced in the  
 continued increase in sales and the  
 almost universal satisfaction which at-  
 tends their use."
