

DEMOCRATIC RULE.

Continued from First page.

he did not anticipate any change in the present financial policy of the government.

Soon after Secretary Manning had qualified all the bureau officers and the chiefs of the divisions visited his office and paid their respects.

THE PRESIDENT'S CALLERS.

WASHINGTON, March 7.—The rush of visitors to the White House continued to-day, with no decrease in number. The majority merely called to pay their respects to the President, but many came on business.

There were several delegations, including one from Wisconsin headed by Senators Cockrell and Vest, another from Texas headed by Senator Coke, and others from Kansas and Colorado.

Among the callers were: Vice-President Hendricks, Senator Voorhees, Judge Niblack, Secretary Bayard and Manning, Attorney General Garland, Postmaster-General Vilas, Ex-Secretary McCulloch, Senators Beck, Blackburn, Colquitt, George, Salisbury, Payne and Grerman, Speaker Carlisle,

Representatives Morrison, Moulton, Cox of New York, Belford, O'Neill, Warner of Ohio, Bland, Morrill, Dorsheimer, Greenleaf, Finch, White Hill and Hardeman.

The District of Columbia Commissioner.

Phoebe W. Cousins, Erasus L. Cleveland of Pittsburgh, Judge Free.

D. C. Williams of Tennessee, E. J. Newman of New York, Commissioner Butlerworth, Julius Hosman.

L. D. M. Sweet, Edward R. Bacon, B. W. Jones of Wisconsin.

The judges of the court of claims called in a body about 2 p. m.

NO APPLICANTS NEED CALL.

The president has notified his private secretary that he does not propose to receive persons who call in regard to appointments, as he is desirous that all applications of that character shall be acted upon by the heads of the departments to which they belong.

THE HAZEN COURT-MARTIAL.

WASHINGTON, March 7.—It is understood that Gen. Hazen has written a letter to the new secretary of war, asking that no steps be taken to dissolve the court-martial recently ordered to try that official, it having been intimated that such action would be taken by President Cleveland, and requesting that he may be tried in justice to himself.

THE NEW SECRETARY OF THE INTERIOR.

WASHINGTON, March 7.—Secretary Lamar received a great number of congratulatory calls to-day. The commissioner of the general land office, the commissioner of Indian affairs and the commissioner of pensions had prepared their resignations, but at the secretary's request they deferred presenting them until Monday. One of Secretary Lamar's first official acts was to reinstate Mr. Hanna as private secretary to the secretary of the interior, which position he has had under Secretaries Schurz and Teller. From the remarks that have been made by the new secretary, it is evidently his intention to adopt a very conservative course.

Phil Thompson of Kentucky is making a strong fight for the commission of the interior revenue. He has the earnest support of Beck, Blackburn and Carlisle.

In making changes in the personnel of the interior department, Secretary Lamar is said to be thoroughly in sympathy with President Cleveland's views upon the civil service principles.

Postmaster-General Vilas also received a number of callers, but left the department early in the afternoon, thus preventing the assistant postmaster-general from presenting his resignation.

SIGNING THE GRANT RETIREMENT COMMISSION.

WASHINGTON, March 7.—When the commission was made out for the appointment of Gen. Grant on the retired list, Secretary Lincoln retained it at the war department, thinking it proper that the new secretary should be given an opportunity to counter-sign it after the signature of the president. Yesterday the president sent it for it in order that there might be no delay in making the appointment. Secretary Lincoln took the commission to the mansion and handed it to the president, remarking that he had not yet acted upon it, because he thought Judge Endicott would be pleased to attend to it as one of his first official duties.

"That was very thoughtful in you, Mr. Lincoln," observed the president. "I have no doubt it would be a pleasure to Judge Endicott, still I will sign it myself, that there may be no delay and Judge Endicott can countersign it."

He therefore affixed his signature to the commission. After the official record was made it was returned to the department. This morning it was on the desk of the new secretary of war. The first official act of Secretary Endicott was to countersign it.

A POPULAR SELECTION.

WASHINGTON, March 7.—The correspondence sent by Associated Press from Chicago announcing the appointment of Gen. Black as commissioner of patents has developed the fact that President Cleveland has made a popular selection. His appointment is well received in all quarters and it is said that the general will be asked to assume the duties of the office at an early day.

MISS CLEVELAND'S RECEPTION.

WASHINGTON, March 7.—Miss Cleveland held her first Saturday-afternoon reception at the White House to-day. The callers included both la-

dies and gentlemen and numbered several hundred. The majority were strangers.

THE INSPECTOR GENERAL.

WASHINGTON, March 7.—Inspector General Sackett of the United States army is lying dangerously ill at his residence. His friends do not believe he will live till morning.

HOUSTON.

Preparing to Entertain the Medicine Men—Saengerfest Forecast.

HOUSTON, TEX., March 7.—Physicians and citizens to-day held a joint meeting to inaugurate preparations for the entertainment of the State Medical association, which meets here the 29th of April. Arrangements will be made for the entertainment of 300 guests in royal style.

The mixed chorus at the saengerfest the last week in April will number one hundred and sixty voices under the leadership of Prof. Duberoy. The orchestra will be composed of some of the finest musicians in Texas and New Orleans, among whom are Prof. Lindenberg, Meine, Douglas, Cornetist Marx, Brunkhurst and Herb, all prominent in Texas, with several as prominent from New Orleans. The orchestra will be under the leadership of the distinguished Carl Beck of San Antonio.

The Houston Light Guards will officially enter the New Orleans and Mobile drills next week. They have commenced drilling.

OKLAHOMA BOOMERS.

Wednesday Set as the Day for the Move on the Territory.

WICHITA, KAN., March 7.—Couch and Gen. Hatch have both gone to the border from this city, the former to confer with the colonists assembling there and the latter to station his troops to prevent a movement toward Oklahoma. It is said that the boomers will start for Oklahoma Wednesday.

THE LEADERS RETURN.

ARKANSAS CITY, KAN., March 7.—Capt. Croun and Secretary McCord returned from Wichita to-day to arrange for the departure of the eight hundred boomers present in the town. A meeting was held this evening. The hotels are crowded. Advances from Washington are anticipated to-night with orders to Gen. Hatch.

A MASS MEETING.

ARKANSAS CITY, KAN., March 7.—Capt. Croun held a meeting at the camp this afternoon. Fully one thousand people were present. As he and the other leaders have to appear at Wichita next Monday it was decided to postpone the departure for Oklahoma until Wednesday. He said they expected that they would either be bound over to the September term or acquitted. As the case comes before Judge Foster, who it will be remembered, decided one case in their favor, they may be acquitted. After the business of the meeting was disposed of several speeches were made endorsing the action of the national house, insisting on the D-wes bill and expressing the opinion that the bill would in a short time cause the Oklahoma country and the Cherokee strip to be declared open for settlement. The leaders have received several telegrams notifying them of the readiness of other colonies to move. Companies D, E and H of the Ninth cavalry are stationed at Chillicothe, six miles south of here, where they will be joined by companies B and M, from Ponca, and K, from Fort Sill. They are said to number from thirty to sixty-five men each.

GRAND BANQUET.

Tendered to the Delegates to the National Convention of the M. S. E. and B. A. of A.

The national convention of the M. S. E. and B. A. of A. which has been in session in this city for four or five days adjourned sine die yesterday afternoon and wound up with a grand finale at Huffman's last night. Among the many present, THE GAZETTE representative noticed Hon. Sam Cundiff of Longview, S. W. Mallory of Arkansas, P. J. Carmichael of Kansas, and Mr. P. Light of California and others representing the M. S. E. and B. A. of A.

The supper was grand in the extreme, and the forty members of the organization and citizens present showed their hearty appreciation of it. Among the many toasts offered were those by the following named gentlemen:

Representative A. W. Morrison, treasurer: "To the M. S. E. and B. A. of A."

S. W. Mallory: "To pioneer agents of the association."

E. M. Macy: "To agents and club managers of the association."

Mr. Byrd on behalf of THE GAZETTE responded in a brief speech, wishing the Endowment Association of America much happiness, and a full share of the benefits of this life, and that many such meetings and banquets may follow in the history of the organization.

The presentations to retiring officers were: one magnificent silver teaset to Hon. Sam Cundiff of Longview; an elegant soup-dish and ladle to B. W. Brown of Longview; and a beautiful pitcher and goblets to J. A. Cowell of Emporia. These were presented through A. C. Mitchell from the officers-elect as a token of esteem and appreciation of valuable services rendered.

Gold-headed canes were presented by B. W. Brown from officers-elect to W. H. Ward, secretary of the P. C. department, and S. W. Mallory of Arkansas.

Mr. Julian Field of this city was then chosen president of the association, and Dr. J. T. Field, medical director. The national convention meets again in this city one year from this date.

Satisfactorily Settled.

The insurance on Mr. Jos. H. Brown's building and contents has been all, or nearly all, adjusted. This is a prompt adjustment of so large an amount, about \$200,000, and is gratifying to all Mr. Brown's friends; for time to his immense business is, indeed, money.

Mr. Brown expects to get into his new building on Main, between Fifth and Sixth, in about ten days, we believe.

A Chance.

Mr. E. P. Moore has severed his connection with the Evening Democrat of this city. THE GAZETTE regrets to see Mr. Moore leave the control of a paper that has so much brightened and improved under his management. The Democrat was a live, newy evening paper while he had control of it, and was always a welcome visitor to THE GAZETTE's sanctum. Mr. Moore is a newspaper man of undoubted ability, and THE GAZETTE wishes him success in any new venture he may make.

A Remedy for Lung Diseases.

Dr. Robert Newton, late president of the Eclectic college of the city of New York, and formerly of Cincinnati, Ohio, used Dr. Wm. Hall's Balsam very extensively in his practice, as many of his patients, now living, and restored to health by the use of this valuable medicine, can amply testify. He always said that so good a remedy ought to be prescribed freely by every physician as a sovereign remedy in all cases of lung diseases. It cures consumption, and has no equal for all pulmonary complaints.
