South Texas Cattleman Has Pasture-Tax Good Conditions in New Mexico—Central Stock Items and Personal.

The Live Stock Indicator is not as sanguine of 'the good time coming' as some papers are, but while it does not predict in the near future the bright day that cattlemen would like to see, it can see no cause for despondency.

'Ever since the depression in the cattle trade commenced, four years ago, the articles which have been written on the outlook for cattle, predicting higher prices within a short period and a rosate future, have been many.

We are now in the second half of 1890 and in the midst of the grass cattle season when thousands of cattle from the Western and Southwestern ranges are being marketed.

Notes and Personal. Jess Pressnell was among the visiting cattlemen in the city yesterday.

Notes and Personal. N. G. Collins was a prominent cattleman of South Texas in the city yesterday.

Notes and Personal. Late rains in New Mexico have started grass to growing on the range and the prospects for winter grazing is good.

Notes and Personal. The Medano land and cattle company of Mexico has just sold its crop of yearling steers, numbering 600, and they are to be shipped to Nebraska in the next few days.

Notes and Personal. There is no wax kicking: The cattle will have to vacate the Strip by October 1st and arrangements to get out had better be made as soon as possible.

Notes and Personal. Ed Reynolds of Mil land, agent for Nel's Morris in Texas was in the city a short time yesterday on his way west for business.

Notes and Personal. There is an increasing demand for mutton and the slaughter of sheep during the past twelve months have been exceptionally great.

Notes and Personal. The Wroming Hereford association ranch, consisting of 866 acres of land, stocked with Hereford cattle, was sold at receiver's sale.

Notes and Personal. Lost an Arm. WICHITA FALLS, TEX., Aug. 23.—Owen McKinney while trying to board a freight train at Dundee yesterday received injuries which necessitated the amputation of his right arm.

Notes and Personal. Cotton Belt Bulletin. GALVESTON, TEX., Aug. 24.—The following is the register of maximum and minimum temperature, with the rainfall in inches and barometer, for the places named during the twenty-four hours ending at 6 p. m., seventy-fifth meridian time:

Table with columns: Stations, Max. Temp., Min. Temp., Rain, Inch. Rows include Galveston, Houston, Hearne, Waco, Dallas, Palestine, Tyler, Huntsville, Orange, Cleburne, Belton, Weatherford, Howe, Means.

Notes and Personal. Judge J. H. McLeary, ex-attorney general of Texas and past grand master of Masons, says: 'Hot-Axe' is the best medicine for headache.

Notes and Personal. Held For Forgery. TYLER, TEX., Aug. 23.—Late last night Wesley Lake, a young man from New Birmingham, together with a young woman in his company, were arrested on a telegram from that place charging them with forgery.

Notes and Personal. Saxe eliminates all poison from the system. Pure apple vinegar at Turner & Dinges's.

Notes and Personal. Fighting the Combine. There is some talk already among the Colorado cattlemen of making another big fight at the coming session of the legislature to enact some law to exclude dressed beef from other states from Colorado markets.
