CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Roysse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.

HOME OWNERSHIP IS THE GREATEST OBJECTIVE IN LIFE

Every normal man desires to OWN A HOME OF HIS OWN. Our plan furnishes a method by which the man or woman of very modest means, may do so without the prohibitive high payments, and excessive rates of interest.

By a simple plan of systematic saving for a few months—just \$10.00 out of your salary on each \$1000.00 contract you may OWN THIS HOME free from debt in just 100 months, and your monthly payments including interest, will be LESS THAN RENT, but you don't have to wait 100 months to occupy the home. Our estimated average time is 15 months, which based upon actual experience, is a conservative estimate of the general average. So far our contracts have beat this average. Under our plan contracts will mature for a loan IN A SHORTER AVERAGE TIME THAN ANY COMPANY IN EXISTENCE.

INTEREST ONLY 3 PER CENT PER ANNUM.

Consider the saving—It means that your principal and interest can never be more than \$12.13 per month per thousand, and will grow less and less each year; \$10.00 of this applies on principal.

You may use the loan to buy, build, improve a home or real estate, or pay off a mortgage on which you are paying a higher rate of interest.

ADOPT OUR PLAN OF THRIFT.

"DON'T PAY RENT ALL YOUR LIFE—OWN YOUR OWN HOME AND BECOME YOUR OWN LANDLORD."
\$150.00 PROFIT GUARANTEED ON MATURED LOANS

In the event you do not desire a loan when your contract has matured, we guarantee to pay the holder, A BONUS OR PROFIT OF \$150.00 in addition to return of all payments made, an average NET PROFIT of 100 per cent or better. This attractive profit is possible from sale of matured loans, for which there are, and will always be eager buyers.

The best and safest guaranteed investment ever offered. Whether you live in the city or in the country, in Lubbock or elsewhere. Whether you wish to buy or build a home or reap the best possible returns from your investment, you owe it to yourself to investigate our plan. Get the facts today, without obligation.
