A series of sermon-lectures along the line of Bible prophecy were delivered in Snyder at the Courthouse in the district court room the past week by Evangelist Chas. F. Parham of Kansas. The series were broken the middle of the week by the condition of the weather, but the interest rapidly increased when the meetings were resumed. Mr. Parham said he represented no denomination, but his message was to all the Christian people of all denominations, or out of them, and that his duty was to preach the gospel as he saw it. He was assisted by Mr. Ditto, a non-sectarian minister of this city.

Mr. Parham, accompanied by Mr. Ditto, left Monday morning for San Angelo where they will hold a meeting, and will be back in Snyder for a few days the first of March, announcements of which will be made later. The meetings here were attended by people from practically every part of the county, and some of them coming from other counties.
