

**Announces for City Marshal.**  
After due consideration, and acting on my own judgment in the matter, I have decided to become a candidate for the office of city marshal Snyder, at the coming election. Should the citizens of the town decide to honor me with their votes and elect me to this position, I pledge to them here and now my very best efforts to render efficient service and to uphold the laws without fear or

favor in the community. I shall be ready at all times if called upon to render an accounting for every official act of mine.  
I shall endeavor to personally see every voter between now and the election, but desire at this time to express to each and every one my sincere appreciation of whatever consideration they may see proper to give me.  
Very respectfully yours,  
J. E. CHINN.

**FIREMAN COULD HARDLY KEEP UP**

**Railroad Man Says He Would Have Had to Give Up But For Tanlac.**

"At the time I started on Tanlac I was down to a hundred and fifteen pounds and so weak I was fixing to give up my job, but now I tip the scales at one hundred and thirty-eight five pounds more than I ever weighed in my life," said Thurston L. McCartney, 407 N. Harvey St. Oklahoma City, well-known fireman on the M. K. & T. (Katy) Railroad.

"I had held out just about as long as I could and it simply took all the will power I had to stay on the job. My stomach gave me no end of trouble, and my kidneys were all out of order. It was all I could do to keep my engine steamed up for the run, and when I got back home I felt so achey and exhausted that I was simply in misery. I didn't sleep well and I ate so little I got down to where I hardly had the strength to get around, and it looked like I was going to give out entirely.

"Well, the only thing that kept me from giving up my job was this Tanlac. It's certainly a great medicine for it straightened me right up. I gained twenty-three pounds in weight, felt like I had been made all over again, and I have enjoyed good health ever since."

Tanlac is sold in Snyder by Grayum Drug Company.

**ACT QUICKLY.**

Do the right thing at the right time. Act quickly in time of danger. In time of Kidney danger, Doan's Kidney Pills are most effective.

Plenty of Snyder evidence of their worth. Ask your neighbor!

Mrs. M. Neal, Snyder, Says, "A few years ago when I would bend over to pick up something, it was painful for me to straighten again, as the pain in the small of my back was so severe. I was greatly annoyed by the irregular action of my kidneys and mornings I would feel awfully tired and languid. Doan's Kidney Pills had been used by other members of my family with such good results that I took them. I only had to use one box of Doan's when my back was strengthened and my kidneys regulated. I take a few Doan's occasionally as a preventive."

**For Torpid Liver**

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. White-side of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

**Theford's BLACK-DRAUGHT**

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Theford's Black-Draught," is on the package. At all druggists.

**The McClaren "Mileage Strip"— what it is and what it means to you**

A WIDE, continuous strip of solid rubber running through the center of the tread and around the entire tire—that is the well known McClaren "Mileage Strip."

The greatest wear on a tire is in the exact center of the tread. It is at this point the tread wears fastest, as it comes in full contact with the road and receives all shocks. This is why the McClaren "Mileage Strip" was designed, and is embodied

in all McClaren Tires. In the Autocrat Cord or the Allroad Fabric this "Mileage Strip" bears the load—prolongs the life of the tire and gives greater mileage.

Come in and let us show this construction of the McClaren Tire in detail—let us show you how the "Mileage Strip" makes both the Autocrat Cord and Allroad Fabric leaders of their class, in extra long life and extra mileage.
