Notice.
 Notice is hereby given that the First National Bank of Canyon, Texas, has bought all the property of the Canyon Ice & Light Co., at Receiver's sale; and all of the original stock holders of the Canyon City Ice & Light Company, who desire to do so, will be given an opportunity to take stock in corporation to be formed for taking over the property at the actual cost to the Bank.
 To School Trustees.

I find that a few of the trustees have been imposed upon by buying school supplies from traveling agents, paying about three times what supplies are worth. If the trustees will come to my office, I will order such supplies for you direct from wholesale dealers, or you can do so. It does not make a cent of money to me nor am I representing any house, but I object to our trustees being grafted or the children's money wasted.

"ELEKTRA" IN AMERICA.

Straus' Musical Orgy Creates a Sensation in New York.
 All New York is talking of Straus' great musical drama "Elektra." It having been played there recently for the first time in America and created as much of a sensation as it did abroad. Mme. Mazarin played the part of the

 heroine, giving a wonderful and superb performance that has won high praise from the critics.
 The opera is of one act only and lasts but an hour and forty minutes. The orchestra effects are marvelous. Tones of terror, wild shrieks, fantastic wails and terrific crashes of sound in which every instrument takes violent part are only a few of the amazing instrumental effects in this most amazing of all operas.

THE JORN CASE.
Famous Tenor, Like Ruskin, Sacrifices Much to Make Wife Happy.
 Ruskin's unselfish love furnished the world a story that will never be forgotten, and a similar case has just become known. Learning that his wife loved another, Karl Jorn, the famous grand opera singer, rather than

 prevent her from marrying the man of her choice, has agreed to arrange a divorce and give her \$25,000 and \$1,000 a year until she marries again. Mr. Jorn declares this act is due solely to his desire to see his wife, whom he still loves and who, he says, is one of the best women on earth, happy.

The famous tenor has devoted all his time of late years to the study of music. When he came to America he left his wife abroad, and she fell in love with another. It was to the famous painter Millais that Ruskin surrendered his wife when he discovered that they loved each other.

REBUILDING MESSINA.

Many Buildings Erected by Money Raised in America.
 All the world was horrified by the great earthquake disaster in Italy awhile ago, and much sympathy was felt for the victims, public subscriptions being raised to aid them in every civilized country in the universe. Americans have been especially generous in this respect, and large sums were subscribed.
 The illustration shows the result of one of the plans of this country to

 help the sufferers in Messina. Houses were made in the United States that could be shipped in sections and easily set up on their arrival, and the structures are being much appreciated by the natives.
