SIGMA TAN THETA CLUB.

The sigma Tan Theta Club composed of the city young men students of Fisk University, spent a delightful evening with Mr. James E. Hurt, Wednesday, February 13, 1907. Many interesting talks were given by the members of the club. The feature of the evening was the discussion of "Negro Colonization," by Messrs. Scovel Richardson, Jack W. Gordon, affirmative, and Wade H. McCree, James E. Hurt, negative. The speakers entered the discussion with much zeal, and from the argument and eloquent delivery it could easily be seen that they had given much time both to the study of the subject and manner of delivery. The discussion, however, was given to the affirmative. After serving a course of ices, the Club listened to an encouraging lecture from Rev. T. J. Lewis, 18.
