WILL SAIL IN APRIL.

The date fixed for the departure of the American delegates has been set for about the 9th of April. The white delegates, it is said, will leave from Boston, Mass. There has been a restriction made that no Negro delegates will go on either of these ships; they will go possibly from the port of New York about the same date. About 6 delegates will represent the great Negro denomination of this country. Three of these will be Mrs. E. H. McKissack, of Holly Springs, Miss.; Rev. J. E. Shepherd, of Raleigh, N. C., the International Secretary of the Sunday School work; Rev. John E. Ford, of Denver, Col. Rev. Mr. Ford will represent the National Baptist Publishing Board and its Sunday school work.

After it was found out that no Negro delegates would be allowed to go on the ship that will make a special trip to Italy, some speculation was entered into as to whether Dr. Ford would go. He was communicated with and in his reply he stated, "I will go if I have to swim half the way, and I will give an account of myself when I get there. I will show you I represent and why I am there." This trip will take about three months and the convention which is to meet in Rome will be represented by all nations and denominations in the world. In fact it will be a repetition of the World's Baptist Alliance, which was held in London last June, at which about 45 American Negroes attended, and made a lasting impression upon the foreigners. It is thought the compliments paid these Afro-Americans in the presence of the whites who were there from this country is the cause of the treatment towards the Negroes who desire to make this trip. The outcome will be watched with interest from both sides of the ocean. The order just issued stating that no Negroes will be allowed on the ships is said to be a general order and comes from Boston, Mass. A Boston man has charge of the transportation and this order is said to have emanated direct from his office.

REV. DR. TOWNSEND BAPTIZES.

An extra large crowd was present at the Spruce Street Baptist Church last Sunday at 3 p. m., to witness the baptism which took place in the basement of that church. Rev. T. J. Townsend, the newly elected pastor, assisted by Rev. C. H. Clark, had about 80 candidates for baptism, but only 43 of these were present on this occasion, which necessitates another baptism at some future date. This was the result of the revival carried on at the church the past two weeks. One encouraging feature is that a large number of children have professed the faith and connected with the church.

TWENTIETH ANNIVERSARY.

Sunday marked the twentieth anniversary of Mt. Olive Baptist Church. Knowing this day would wind up a score of years that the church had been in existence, the better part of the week before was spent in various exercises, beginning on Tuesday night with a largely attended prayer meeting. Wednesday night, B. Y. P. U. and Sunday school exercises. Sunday morning the Sunday school showed that it had gone far beyond the expectation of many. The 11 o'clock services were suspended Sunday to pay respects to a deceased member, Mrs. Kitty Lofton. The anniversary sermon was preached Sunday night. This church is said to be one of the largest in the city, and it has by far the largest membership. The crowd that was present Sunday night to witness the winding up of the anniversary, was extremely large. A unique plan had been adopted by which each member was to pay five cents for each year the church had been organized. While the weather was inclement, many responded. The pastor himself reported \$21.80 handed to him by members who could not attend. The amount of the collection is not known, but it is thought to be encouragingly large. Dr. Clark announced from the pulpit that a revival would begin at once and an effort will be put forth to make the membership reach the 2,000 mark.
