GRAND LECTURER TO VISIT NASHVILLE.

Captain J. Milton Easterling, of Chattanooga, the Grand Lecturer of the Knights of Pythias, will begin his annual tour of the state, visiting the various subordinate lodges in the different cities, on January 6, 1908, at which time he will speak at Orme. He will be in Nashville on the 26th of February.

On the several other occasions that Captain Easterling has been in the city, he has met with a very enthusiastic reception from his Pythian brethren, and the present occasion will scarcely prove an exception. His lectures have also been instructive as well as entertaining. So popular, in fact, has he proven with the members of the Order that at the recent Grand Lodge session he was re-elected by acclamation.

1882-1907—MOORE-SHEPHERD.

The twenty-fifth anniversary of the marriage of Rev. and Mrs. George W. Moore was celebrated Friday, December 20th, at their residence, 926 Seventeenth avenue, North. They did not have a formal celebration, but they received the congratulations of a large number of friends at home and abroad and were the recipients of many tokens of esteem. Among the pleasant surprises was a beautiful set of silver from the faculty and teachers of Fisk University and their neighbors. They also received a number of beautiful presents from friends in the city and various parts of the country and a large number of letters of congratulations.

They were married at the home of Prof. Geo. L. White, the leader of the original Jubilee Singers, and the following announcement of the marriage was sent out:

MARRIAGE CEREMONY.

Wednesday Evening, December 20, 1882

At the Residence of Mr. Geo. L. White, Fredonia, N. Y.

Rev. Geo. W. Moore, Of Fisk University, Ella Sheppard, Of Fisk University Jubilee Singers. At home after Jan. 1, 1883, Oberlin, Ohio.

Mr. Moore was at that time a senior in the Theological Seminary of Oberlin, and Mrs. Moore, nee Ella Sheppard, had just completed eleven years of service with the original Jubilee Singers of Fisk University.

As a member of this company she traveled five years in Europe and six years in America. She has sung before Queen Victoria and many of the crowned heads of Europe, and has been entertained in the homes of Gladstone and many distinguished people in Europe and America. She has been active in missionary and church work and has been President of the Women's Missionary Union of the Tennessee Association of Congregational churches for the past twelve years.

Mr. Moore was the first pastor of Howard Congregational Church, of this city. It was organized under his ministry when he was a student of Fisk University. He was pastor of the Lincoln Memorial Congregational Church, Washington, D. C., from 1883 to 1892. During this pastorate he was active in missionary, evangelistic, charitable, temperance and Y. M. C. A. work. He led a successful crusade against the thirteen saloons in "Hell's Bottom," the location of the church, making it one of the best residence sections of the District of Columbia. He was for five years Professor of Biblical History and Literature in the Theological Department of Howard University.

In 1889 he traveled extensively through Great Britain and Continental Europe. As a delegate to the World's Sunday School Convention, he delivered an address in City Temple, London, on the "Colored Sunday School Work of the United States." He has been a delegate and speaker at international gatherings of the Y. M. C. A., Christian Endeavor, Student Volunteers and National Council. In 1892 he was appointed Field Missionary and Superintendent of the Southern church work of the American Missionary Association, this being the sixteenth year of his field service. He is a trustee of Fisk University and has been active in the work of educating the race. He has held evangelistic services in most of the churches of his denomination and in the schools of the South and has extended his labors among the churches and schools of other denominations. He has done effective service among the churches of the North in raising funds to carry on the work in the South.

Three children have brightened the home of Rev. and Mrs. Moore—two boys, George Sheppard and Clinton Fisk Russell and one daughter, Sarah Elizabeth. Elizabeth Benton Moore, their niece, is a teacher of cooking in the colored public schools of the city. Their son, George Sheppard Moore, is a graduate of the College Class of Fisk University, 1906, and is in his second year of study in Northwestern University, Medical School, Chicago.

A unique feature of the family gathering was the presence of Mrs. Moore's

mother, Mrs. Sarah H. Sheppard, now in her eighty-first year, and Mrs. Cornelia Rohelia, Mrs. Moore's step-mother.

The Globe extends to these beloved citizens and Christian workers its hearty congratulations and best wishes on their twenty-fifth anniversary, and wishes them many more years of happiness and service.
