DIAMONDS

Silver Novelties, Cut Glass, Toilet Sets, Gold and Silver Umbrellas, Vanities, Clocks, etc. Why Shyer's values are always the Best. Those who have come from far and near to buy their Christmas goods at our store realize that we have an unusual establishment.

Money spent with us all goes for Jewelry. We don't shift upon customers the burden of an expensively managed store, full of fancy fixings that don't add to the value of any thing you buy or to the pleasure the presents give. We cut out all needless cost of operation and can, therefore give the best jewelry values in the city. I handle only high class, dependable goods, and every article carries Uncle Shyer's guarantee. I can show the largest stock of mounted and unmounted Diamonds South of the Ohio River. My loan department furnishes me many bargains in fine, Perfect Stones. They are here, come and get them. I handle Antique Jewelry and Silver and buy Gold and Silver Jewelry and scrap. Open every night until December 25.

CARD OF THANKS.

There is no time in the lives of people that they feel more like showing their appreciation of the kindness of their friends than when death removes one from the family circle. It is impossible to do this through letters, but it is very easy to put a little card in the Nashville Globe that will reach everybody. In order that all may have an opportunity to express such appreciation we are making a flat rate of 50 cents for these cards, not to exceed ten printed lines in this paper.

IN ADVANCE

These little bills must be paid in advance. No card of thanks will be run unless accompanied with 50 cents.

Yours truly
