The battle of life calls for courage and resolution of a high order. The man who avoids anxiety because he does not wish the placid course of existence to be disturbed thereby is lacking both in courage and in resolution.

Wherefore it is, as Mr. George says, that "when we consider the ordinary lives of unmarried men, we must give them our pity, for they have deprived themselves of anxiety."

We unhesitatingly congratulate the Nashville Banner upon its acquisition of a real live wife as its Negro newspaper. The Sunday Negro news is fresh, enjoyable giving one unalloyed pleasure in its perusal.

The absence of staleness is happily obvious, everything is fresh and right up-to-the-hour.

The Prater Gazette Official Organ Supreme Jurisdiction Independent Order Immaculates, edited by Dr. J. W. Whitfield, is before us. It is typographically neat, and well edited.

The Forward Quest Girls and the Big Sisters did themselves proud last Saturday. They worked as only determined women can work when they have a worthy goal to obtain.

The churches of Dyersburg had empty pews Sunday as the good Christian white people had other business to attend.

Don't forget the Glose's big Christmas number Dec. 21st. It will be a thing of beauty and a joy forever.

We are busy making the world safe for democracy and burning Negroes.

And, do your Christmas buying early.

Young business men should go straight if they would attain success.
