MT. OLIVET.

James Bedford of Millersburg attended the races Saturday.

Both the infant child and aged mother of James Gray are dangerously ill.

C. W. Sparks sold a small one-story cottage on Walnut street this week for \$3,400.

Professor Frank Kelly of Flemingsburg is spending a part of his vacation in Mt. Olivet.

Quarterly Court is in session this week with quite a number of cases on the docket.

Professor R. H. Keyes went to Pendleton and Bracken counties this week in the interest of the academy. He reports success.

The musical recitals of Miss Grinstead's class on the nights of the 24th, 25th and 27th ult., were decided successes, financially and otherwise.

Monroe & Thomas, livermen, have sold out their establishment to Sparks & Carpenter for \$4,800. Eighteen months ago they bought it for \$3,200.

Miss Emma Browning of Shannon and her company, the Misses McDougle and Burgess of Maysville, attended the entertainment Saturday night.

Mrs. Will Chanslor and Miss Ollie Bland of Shannon, accompanied by Miss Smith and Mr. Vonorendoff of Baltimore, witnessed the ball game Monday.

Your correspondent from this neck of the woods has been rusticated in the city for a few days; hence the non-appearance of Mt. Olivet news last week.

In the description of the new church last week the name of Mr. Gilmore of Maysville, who furnished all the work, was unintentionally omitted. Mr. G. furnished the best quality of free stone and did a neat and satisfactory job of work.

About one thousand people attended the baseball picnic at Kenton's ground the 4th inst. First game between Ellsville and Germantown won by the latter. Game between the Mt. Olivet club and the Nationals of Cincinnati resulted in a glorious victory for our home team, the score standing 13 to 5 in favor of Mt. Olivet. At first betting was all on the side of the visitors. The Cincinnati pitcher, though a good curver, was wild and easily rattled, while Sam Throckmorton and Tom Wood, the battery for the home club, did excellent work, fanning out the "Sons of Isaac and Jacob" almost as rapidly as they came to the bat.

The new race track of the Mt. Olivet Driving Association was formally opened Saturday, the 2d. A very large crowd was present and the racing was not bad. In the trotting race there were three entries, Sir Victor Rene by King Rene, Strathback by Strathmore by Rysdick's Hambletonian, the sire of Electioneer, George Wilkes, Dictator, etc., and Dick Joyce. Three heats were trotted—Victor Rene 1st, Strathback 2d, Dick Joyce 3d. Victor Rene's time, first heat, 1:58; second heat, 1:58. Roadster race won by Elma G., owned by Tom Anderson, first heat, 1:54; second heat, 1:57. Running race, eight entries, won by Nellie Fly owned by J. J. Rigg, two heats, first, 1:54; second heat, 1:54. Bicycle race won by Forest Brown. The track was new and hardly compact enough for the highest speed.

Real Estate Transfers.
James Barbour and wife to L. B. Gray, 25 feet on West Second street, consideration, \$575.
G. W. Reynolds's heirs, &c., by Allan D. Cole, Master Commissioner, to Ella Reynolds, 152 acres of land near Minerva; consideration, \$7,980 45.

WEEKLY CROP BULLETIN.
Condition of the Small Crops Throughout Kentucky Up to Yesterday.

The temperature of the past week was considerably below the normal, particularly in the Northern and Eastern sections of the state, and the amount of sunshine received slightly in excess of the average. The rainfall was very uniformly distributed, but the average amount for the entire state was very near the normal. It came mostly in the form of local thunder storms and at a few widely separated points very heavy showers fell. Generally speaking, however, the heaviest rainfall occurred in the central counties of the state.

Farm work and crops of all kinds have progressed very favorably under the conditions described, tobacco particularly being reported to be greatly improved.

Corn is rather late, but is growing finely and the fields have been cleared of weeds.

Wheat threshing has begun and reports of the most favorable character in regard to the yield are received. The damage from smut is not so great as was anticipated some time since. Some slight injury has resulted in grain in shock, from high winds and rain.

The oat crop is about ready to harvest and the prospect is for less than an average yield.

Grasses of all kinds and clover are excellent crops.

Much complaint is made that late fruit is falling from the trees and in consequence the outlook is not so promising as could be wished.

"FALCON," J. Soule Smith, is to be editor of a new Southern magazine, which will be issued from Louisville. The new publication will be known as Fetter's Southern Magazine.

ANNOUNCEMENTS.

FOR SHERIFF.
We are authorized to announce J. C. JEFFERSON as the Democratic candidate for Sheriff of Mason county at the election to be held Tuesday, November 8th, 1892.

Notice to Farmers!

At a meeting of the grain merchants and millers of Maysville, held on June 24th, 1892, the subject of cleaning wheat by farmers was introduced and fully discussed, and the following preamble and resolution was adopted: That whereas, in former years, owing to the superior quality and cleanliness of Mason county wheat, it enjoyed a reputation second to no other section of the country and was much sought after, but in recent years, owing to the imperfect cleaning of wheat by threshers, it has suffered very materially in grading in the general markets in comparison with wheat from other states; therefore, be it Resolved, That the grain dealers and millers of this city feel that it is incumbent upon them to make it known to the farmers that, other than upon them having their wheat well cleaned and screened by threshers, otherwise prices will be made accordingly. They desire to state for the benefit of the farmers, that wheat to grade No. 2 must weigh at least 58 1/2 pounds to the bushel, thoroughly clean and dry, free from smut and other impurities, and that wheat to grade No. 3 must weigh at least 56 pounds to the bushel, and be dry and reasonably clean, and may have an occasional smut ball, but free from stalk. Wheat not up to the above grades will be classed as rejected.
