### IT SWIPED ME OFF THE EARTH.

FLEMINGSBORO, November 10th.  
Dear Dora: "Where the— was you when the cyclone struck us?" I feel like I had the "Tariff" taken off of me twice, and I want to go out of politics and into the "Ananias" business as soon as the Free-trade Postoffice gets ripe. The only consolation I have is in contemplating the fact that I will have in four years from now at Mr. Freeder's funeral. Let's spit on our hands and wait. Yours truly,  
C. L. DUDLEY.

Well, Charley, I was in the midst of the "disturbance" when it came, and now that I look over the desolated field and view the Postoffice and hopes that are wrecked I rise to inquire, "Where am I?"

I would advise you to get a good ready on at once if you intend entering the Ananias business, for the Free-trade Postoffice will be ripe early on the morning of March 4th. Our friends the enemy are so impatient that Mr. Cleveland will find it a difficult matter to keep them away from the White House while he casts his lance following the inaugural ceremonies.

Weeping will do no good, and I have heard that the prayers of the wicked availeth nothing.

So let us trust that Grover will disappoint those who expect radical changes in our good laws, and that he will get rid of bad ones by enforcing them. Yours hopefully,  
D.

### KENTUCKY WEATHER REPORT.

What We May Expect Between This Time and To-morrow Evening.

### THE LEDGER'S WEATHER SIGNALS.

White streamer—FAIR; Blue—RAIN or SNOW; With Black ABOVE—WELL WARMER GROW; If Black's BENEATH—COLDER 'TILL BE; Unless Black's shown—no change we'll see.

The above forecasts are made for a period of thirty-six hours, ending at 8 o'clock to-morrow evening.

### Procedure Before Leaving Home.

Three years ago, while I was visiting relatives at Higginsville, Mo., I was suddenly taken with colic and severe pains in the stomach. My relatives sent me to the Doctor for medicine, and he sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, telling the bearer that if that medicine did not cure me he could not prescribe anything that would. I used it and was immediately relieved.—Henry A. Thofern. For sale by Power & Reynolds.

### STEAMBOAT MATTERS.

WHAT IS GOING ON ALONG THE BEAUTIFUL OHIO RIVER.

Driftwood Gathered on Shore and Steam by The Ledger's Weather-Beaten Old Tor and Piled Up Ready For Use.

The river is still rising. Local traffic on the extreme upper Ohio has been resumed.

The M. P. Wells has cleaned her boilers and is now ready to resume her wrestles with Eight-mile.

The past year has been one of the most unprofitable for river business that steamboatmen ever experienced.

A new boat soon to be built for the Huntington and St. Louis Packet Company, with headquarters at Cincinnati, will be named after Commodore Wash Henshall.

The Ashland Signal says that for more than six months not a sidewheel steamer has come above Maysville, and no large boats have attempted to leave their wharfs for the past three months. This sort of business may pay when the profits are big, but in the case of lower commerce it means bankruptcy to small firms.

CINCINNATI is the greatest tobacco market in the world, its annual sales exceeding \$6,000,000. Louisville is second. St. Louis leads the world in manufactured tobacco. The best chewing tobacco comes from Virginia and Kentucky. The Miami Valley produces the second best smoking tobacco, as Cuba will always lead in producing the best smoking tobacco.

### The Emerson Piano.

The Emerson Piano Company of Boston, Mass., and 92 Fifth Avenue, New York, have had a long and successful experience in the manufacture of pianos, and have attained an enviable reputation. These pianos are of the very finest tone and of the best material and workmanship, and are sold at moderate prices and on reasonable terms. As a general thing a person buys a piano but once in a lifetime, and it is, therefore, very important that the instrument should combine as many desirable features of a permanent character as possible. Manufacturers of good reputation and of long standing should be the favored ones. The Emerson Piano Company have made and sold upward of sixty thousand pianos; and they warrant every instrument sent from their factory. They will send to any of our readers who may be thinking of purchasing a piano, their illustrated catalogue free of charge; and it will be found to be an interesting publication.
