CHENOWETH'S Sarsaparilla is the best. Do not let awake nights and cough! Ayer's Cherry Pectoral will relieve the cough and induce a good night's rest.

Just as though his present engagement were not enough for one man, the House issued a warrant for the arrest of Col. Breckinridge, along with the other absent members. An officer went to the courtroom with the warrant, but Marshal Wilson refused to allow it to be served in court.

REV. FATHER LAMBERT, of the Redemptorists, who has left the Catholic Church and joined Father O'Connor's mission to train for the work of evangelism, is physically a fine looking man and is considered a keen intellect. He wrote a book, "Reply to Ingersoll," a few years ago, which had a wide circulation and was spoken of by the press as a masterpiece of logical reasoning.

The experiment of settling a Postoffice contest by a primary election has not proved a success at Nicholasville. After an election which is described as the most corrupt ever held in that place, the Democratic County Committee has been unable to tell which candidate won and has turned it all over to the Postmaster General. Mr. McCreary is being severely censured by the people for resorting to this method of settling the question.

In the River and Harbor Bill which has passed Congress the following provisions are made for Kentucky streams: Improving Falls of Ohio River, \$60,000; improving Indiana Chute, Falls of Ohio River, \$30,000; Rough River, \$12,500; Levisa Fork, Big Sandy, \$2,500; Tug Fork, \$2,500; Green River, above the mouth of the Big Barren, \$25,000. For rebuilding Lock No. 2, Green River, \$25,000. Improving Big Sandy River, near Louisa, \$28,600.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson of C. J. Knutson & Co., Kensington, Minn. Fifty cent bottles for sale by Theo. Power, Druggist.

HON. HODDLEY HOT.
Ohio's Ex-Governor Roasts His Democratic Brethren in Good Style.
A special from Washington says Hon. George Hoddley of New York, formerly of Cincinnati and ex-Governor of Ohio, is in that city. In an interview he voiced approval of the Bland veto. Continuing, he made this remarkable statement:
The halting policy of Congressmen on the Tariff is disgusting. So was its delay in repealing the Sherman Act, which ought not to have taken over a week. Don't Platt once said that the Democratic party represented the organized ignorance of the country, and the Republicans the organized greed. Mind you, I am a Democrat still, but when I see the Southerners in Congress trying to ruin the country, is it any wonder that one gets impatient? Of course, I don't put all Southerners in this category, but look at Senator Morgan's course, regarding coal and iron.
If an election were to take place tomorrow the Democrats would not carry a Northern township, and I fear the next House is already lost. Happily, there is time enough to redeem mistakes before another Presidential election, and by that time the reaction will doubtless have set in. As a Democrat, I hope and believe a Democrat will succeed Mr. Cleveland in the White House, but so far as I am concerned, I shall vote for no man for President who favors silver coinage. Rather than that I will cast a ballot for the opposition candidate.

Persons who are subject to attacks of bilious colic can almost invariably tell, by their feelings, when to expect an attack. If Chamberlain's Colic, Cholera and Diarrhoea Remedy is taken as soon as these symptoms appear, they can ward off the disease. Such persons should always keep the remedy at hand, ready for immediate use when needed. Two or three doses of it at the right time will save them much suffering. For sale by Theo. Power, Druggist.
