DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY, and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew of smoke. An ironclad written guarantee to absolutely cure the tobacco habit in all its forms or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure) \$2 50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND \$ TWO-CENT STAMPS FOR A PLEASANT BOX. Booklets and proofs free. Enreka Chemical and Mfg Co., La Crosse, Wis.

OFFICE OF THE PIONEER PRESS COMPANY, C. W. HORVICK, Superintendent, ST. PAUL, MINN., Sept. 7th, 1904. Enreka Chemical and Mfg Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until a physician told me I must give up the use of tobacco for the time being at least. I tried the so-called "Society Cure," "No-to-bac" and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the terrible craving for tobacco, which every inveterate smoker appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, J. W. COCHRAN.
