SPRINGDALE SPLINTERS.
A Writer Who Hews to the Line, Regardless Where the Chips Fall.

School closed here Friday.
Miss Edith Holton of Sandhill came down Friday to attend the entertainment.
Miss Goddard has given several entertainments during her term as teacher here, but the one given last Friday evening eclipsed all the rest. The small fee charged at the door prevented the immense crowd usually at such places. The beautiful rendering of some of the pieces and the carefulness of detail of the many parts proved Miss Goddard as a designer of beautiful stage effects to have few equals and no superiors.

LEEWOOD.
A Correspondent Who Has Discovered Some News in an Entirely New Field.

All kinds of fruit is in heavy bloom here.
The race for Magistrate is going to be a hot one.
Corn planting will soon be here. Some farmers have their ground ready.
Mr. John Curtis of Bracken county has been visiting the family of John Burton of this place.
Mr. Jacob Kubel has embarked in the cattle business. Mr. Kubel is a sharp, shrewd fellow.
Farmers say that they can raise cattle with less expense than tobacco and sell for better prices.
Mr. Will Cloney has been visiting the family of William Byron of this place for the past few days.
Mr. Jacob Kubel visited the family of Mr. Bais Hughes of Wallingford, Fleming county, Saturday and Sunday.
Your correspondent had the honor of shaking hands with Mr. R. G. Bullock, the Republican candidate for Assessor.
It is the duty of every Republican to attend the Precinct Conventions on May 23d, as that is the place to help the people.
Farmers have very near finished planting potatoes. The wet weather has thrown work of all kinds on the farm back.

The Misses Beckley of Washington and the Misses Sharp of near here spent Sunday with the family of John Burton of this place.
Wonder if the Turnpike Commissioners have taken any notice of our agitating the question about converting the mud road between the Fleming and Hill City pikes into a turnpike? We hope they will.
Wonder if the Ferris correspondent will give us another rake? We did not know that he was a woman bater. We don't favor woman suffrage either, but we still say that a woman could have chosen better.

Americans are the most inventive people on earth. To them have been issued nearly 600,000 patents, or more than one third of all the patents issued in the world. No discovery of modern years has been of greater benefit to mankind than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists; price fifty cents and one dollar. For a simple bottle and pamphlet, both sent free by mail, mention THE PUBLIC LEDGER and send your full Postoffice address to Dr. J. C. Kimler & Co., Binghamton, N. Y. LOUISVILLE RACES.

Greatest Spring Meeting Ever Held in Kentucky, Beginning May 12th.

Only one fare from here for the round trip, including admission to grand stand. Beginning on Derby Day, May 12th, one of the greatest race meetings ever held in Kentucky will be given at the famous Louisville Race Course. Ten stakes, including the Kentucky Derby, worth \$6,000, and the \$10,000 Louisville Futurity, will be run during the twelve days. All the crack horses in the country are engaged in these stakes, including Ornament, Dr. Catlett, Typhoon II, Meadowthorpe, Winged Foot, Eugenia Wickes, Burlesque, Simon W., Souffle, Buck Massie, Rudolph, Boanerges, Lord Zeni, Rosinante, Ben Holladay and many others. Nearly 1,000 horses are now quartered at Churchill Downs, insuring large fields and exciting contests. There will be five or more races each day, with liberal added money.

All the railroads have put on cheap excursion rates, the round trip from Maysville being only one fare. This also includes admission to the grand stand, each railroad ticket having a coupon attached which can be exchanged for a badge at the gate. This is the cheapest rate ever offered from this point, and a big delegation will leave here on Derby Day to take advantage of it.
The Derby will be run on the opening day, Wednesday, May 12th, and the \$10,000 Futurity will be run three days later—Saturday, May 15th. These are the big best turf events run in the West.

SEVENTY-EIGHTH ANNIVERSARY.

DeKalb Lodge of Oddfellows Will Observe the Occasion Tomorrow Evening.

Today is the Seventy-eighth Anniversary of the establishment of Oddfellowship in America.

HOW TO FIND OUT.
Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.
WHAT TO DO.
There is comfort in the knowledge so often expressed, that Dr. Kimler's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists; price fifty cents and one dollar. For a simple bottle and pamphlet, both sent free by mail, mention THE PUBLIC LEDGER and send your full Postoffice address to Dr. Kimler & Co., Binghamton, N. Y. Mrs. A. Invece, residing at 730 Henry St., Alton, Ill., suffered with sciatic rheumatism for over eight months. She doctored for it nearly the whole of this time, using various remedies recommended by friends, but received no relief. She then used one and a half bottles of Chamberlain's Pain Balm, which effected a complete cure. This is published at her request, as she wants others similarly afflicted to know what cured her.
