

SIXTH YEAR.

MAYSVILLE, KY., MONDAY, AUGUST 2, 1897.

ONE CENT.

Eyesight

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

STORY CIRCULATION
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

UPON THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rate. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—52 times—the bill is \$11.25. When he finds it out there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, we "will forbid" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance, (a great many have already) we bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in Checks, Plaids, Stripes, etc., Suits that we sold at \$18, \$16 50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

:- \$10.00!

It is the greatest sacrifice sale we ever made, but as our patrons will be benefited, and it secures us room and money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

:-: CASH!

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

Colonel John B. Zorn, compiler of Maysville's new Directory, is in the city distributing his book and obtaining new subscribers for it. This Directory is the best one that has been published in this city for many years, and is invaluable to the busy business man. It contains the names of 3,854 citizens, exclusive of firm names, 3,060 being white and 594 being colored, giving Maysville a population of 9,180 white and 1,782 colored, a total of 10,962. Added to this Directory is a street number guide, giving the name and location of each street with the list of residents thereon. This feature alone is worth the price of the book. Copies of the Directory will be here Thursday for distribution.

CUT ITS FORCE.
The L. and N. Reduces Its Number of Employees in This City.

There has been a general shake-up at the L. and N. Depot in this city, caused by the removal of the C. and O. freight department to its own quarters.

Mr. Thomas Darnall, who filled the position of Freight Clerk, Mr. Charles McCarthy, who was Foreman in the Freight Department, and Mr. A. J. Wheeler, Freight Handler, were removed.

Telegraph Operator Rucker was transferred to Central Covington, and Mr. Alvin Binzel, who was formerly Telegraph Operator at this point and who was transferred to the Dispatcher's office at Paris, has been returned, to fill the positions of Operator and Chief Clerk, while Mr. Charles Collins, who was Chief Clerk, has been made Foreman of the Freight Department.

Mr. E. J. Binzel, the Agent, has been retained.

This reduces the force just one-half.

OFFICIAL CHANGES.
A Resignation and a Shifting Around in the Revenue Service.

Somebody has said that Democratic office-holders may die, but that they never resign.

That is probably an innocent campaign fiction, for it has been disproven in the case of Colonel H. Duke Watson, Division Deputy in the Collector's office in this city.

Recently that gentleman resigned his position, and Saturday night he stepped down and out, after a term of most efficient service.

Mr. Watson's resignation necessitated some changes in the personnel of the office at Lexington.

Saturday night a shift was made which saves a place in the revenue service for Thomas Shelby, Chief Deputy to Collector Wallace Shelby, who is to be succeeded October 1st by Sam J. Roberts, the new Republican appointee.

Collector Shelby appointed Mr. M. M. Teagar of Flemingsburg, who has been Stamp Deputy at Lexington, to succeed Mr. Watson, and he will today assume the office.

He then placed Thomas Shelby in the office of Stamp Deputy vacated by Captain Teagar, and thus put him out of the probable reach of dismissal by the new Collector.

That left the office of Chief Deputy vacant, so Collector Shelby called on Mr. Roberts, his successor to be, with the result that Mr. C. H. Berryman, appointed by Mr. Roberts to be Chief Deputy, took the office this morning instead of two months later.

Washington Post.
There is one young man, at least, at the Capitol who does not believe the figure thirteen is unlucky.
The Deficiency Bill, which has just become a law, was numbered thirteen. His claim was for \$1,300. It passed the House on a Friday night, went to the Senate, and was there considered by thirteen eminent statesmen on the Appropriations Committee. It's true it was delayed a few days by a Senator dying in a house No. 13, but it passed the Senate on July 13th, and he got his money just thirteen hours after the President signed the bill.
This young man, on learning that the bill was numbered thirteen, purchased a rabbit foot for thirteen cents, to which he ascribes his good luck.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
