

# PUBLIC LEDGER

SIXTH YEAR.

MAYSVILLE, KY., TUESDAY, AUGUST 3, 1897.

ONE CENT.

**Swear**  
**CIRCULATION**  
**LARGEST IN THE CITY.**

**Purely Business!**

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can afford to give his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

**The Continued Calls**

Upon the LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

**For Notices of Suppers,**

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge five cents a line, and hereafter this will be the invariable rule. This, however.

**Does Not Include**

notices of Lodge meetings or Church services, which must not exceed ten lines.

**Avoidance of Disputes.**

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—62 times—the bill is \$12.25. When he finds it out, there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "will forbid" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

## We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance (a great many have already), we bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of Suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in Cheeks, Plaids, Stripes, etc., Suits that we sold at \$18, \$16.50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

**:-: \$10.00!**

It is the greatest sacrifice sale we ever made, but as our patrons will be benefited, and it secures us room and money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

**:-: CASH!**

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

The gutter on Second street, Sixth Ward, will not be touched until the curbing is fixed. The gutters on Court street have been completed, as has also the gutter on Third street between Patton alley and Sutton street. Prospect street repairs are in prospect another month. The sewer that is to be laid on East Second street, Sixth Ward, will be begun next month. The new floor that was ordered laid on Limestone Bridge was reported completed.

Chairman Smith made quite an extended report on the repairs that are in contemplation to the Market Street Esplanade. It is now an assured fact that the city is to be beautified by one of the most attractive improvements, something that will stay forever. There will be a nice fountain placed in the center of the Esplanade, and there's no place in the city where money can be spent and where it will do more good than on that beautiful place. There were four bidders, as follows: Len Purnell & Co., \$698 75; G. Perrin & Co., Bond Hill, O., \$700; Griffith Bros., Connorsville, Ind., \$795 80; John Hays, Maysville, \$750. The contract was awarded to G. Perrin & Co., they to commence work at once.

The C. and O. cattle-pens in the Sixth Ward that have been reported as a nuisance will be removed.

The raising of the electric lights in the Sixth Ward will be attended to this month.

The safety-gate chestnut was brought up, and Councilman Dressel grew eloquent on the subject, and would have had the whole C. and O. system arrested

and shoved clear up to Klondike. He swore out a warrant for the arrest of the railroad company, which will be served today, and tomorrow the C. and O. will have safety-gates—nit.

The matter of Dennis McGregor having money or property in this city subject to taxation was reported that he had none, and that he had drilled over to Aberdeen to avoid the payment of taxes in this city. He will be drilling back next year, as the tax rate over there is twice as much as on this side.

Mr. William L. Pogue had been notified by the Board of Health of a nuisance near his place, and he appeared before Council and asked that body to help him out of the dilemma. The Internal Improvement Committee was instructed to provide a sufficient drainage to carry off the nuisance.

The Mayor read a summons from the Fiscal Court of Nicholas County, asking that the city's interest in the Maysville and Lexington Turnpike appear before that body on the first day of the August term to assess the value of the turnpike.

A petition, signed by the citizens of the Sixth Ward on East Second street, South side, praying for a sewer, was referred to the Proposition and Grievance Committee.

Building permits were granted as follows:

Jacob Miller, repair residence on East Fourth street, Fourth Ward.  
George H. Heiser, repair shed in rear of grocery on Second street, Second Ward.  
John Haffey, two-story frame dwelling, East Fourth street, Fourth Ward.

J. H. Cummings, stable and coalhouse in rear of residence on Forest avenue, Fifth Ward.

The Clerk reported that he had given Chief Ort credit for \$216 26, taxes suspended by Council at its last meeting.

The Mayor was instructed to appoint a Committee on the Greenwood Fund at the Public Library at the last meeting of Council, and last night he appointed Mr. H. L. Newell from Council, Dr. Thomas E. Pickett from the Historical Society and Mr. John Duley from the School Board.

The Mayor and Clerk were authorized to draw an order in favor of the Bank of Maysville for the August interest.

Council authorized the payment of Policeman James Molen's doctor's bill, which resulted from the wound he received by dropping his pistol while in the discharge of his duty.

Roads Nos. 22, 23, 24, 25, 26, 27, 28, 29 and 30 were ordered issued to pay the city's indebtedness for the past month. Adjourned red hot.

Little Frank Short, son of Mr. John T. Short, was playing yesterday afternoon and was sitting in a high chair. He wanted some article that was on the floor, and in his endeavor to get it, toppled over the chair, falling on one of his arms, breaking it just below the elbow. Dr. C. C. Owens was summoned, who rendered the necessary medical aid.

The Misses Wood, at their beautiful villa just on the outskirts of the city, gave a lawn fete to half a hundred of the Four Hundred last evening. It was a charming affair, notwithstanding the intense heat. Various games of society were indulged in, and the wee small hours of morning were approaching when the guests departed.

The warm weather is forcing pleasure seekers to find entertainment out of doors, and driving parties are of frequent occurrence, thus enabling visitors to see our beautiful bluegrass region, with its highly cultivated farms and broad, winding roads. Yesterday afternoon Miss Blatterman, assisted by her brother, J. Baron, entertained in this way a party of eight in honor of their guest, Mr. Hal Hunter of Louisville. The party drove through to Mayslick, where an especial supper awaited them. The invited were Mr. and Mrs. George L. Cox, Misses Emma Campbell, Bessie Johnson, Hattie Johnson, Catherine Albert, Florence Hays and Mr. Heady of Lexington.

## Eyesight

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

The old reliable Ripley (O.) Fair—that pays its premiums in gold before the stock leaves the ring, will be held August 24th, 25th, 26th and 27th, 1897.

When you see Murphy, the Jeweler's, stock of Diamonds and Gold Watches you will be convinced that he carries the largest stock. When you learn his prices you will be convinced that his prices are lower. He never misrepresents goods; all are warranted.

Why does Ripley always have a big attendance at its Fair? Because the admission fee is only 25 cents and horses and teams are admitted free, and because she pays good premiums and pays in gold before the stock leaves the ring, and because the Fair is held on the nicest Fairgrounds in Ohio.
