**Purely Business!**  
The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

When we concluded to handle Men's and Youth's Shoes quality was the first consideration in our purchase. As ranks in merit all our various lines, so will the merit of our Shoes rank, too. Messrs. They further say, "We made you a Shoe to retail at \$3 that you can guarantee to wear equal to any \$4 Shoe made in the world. We warrant every pair of them. The above-mentioned lines

## KICKERS' CORNER

**GOOD TIMES ARE COMING.**

The good old times are coming from the North and South and West:

The orders will be crowding until there isn't any rest.

We've only been a-waiting and a-breathing for for a spell.

But things are sort of settled, and we're feeling pretty well.

The people ain't a-going to take to wearing wooden shoes

Just because there was a panic and the bankers got the blues.

Our country's still as big and strong and rich as it can be.

And the good old times are coming; just wait and you will see.

The good old times are coming, and they're coming mighty soon:

The trade winds are a-blowing like a regular monsoon.

You can hear the wheels a-turning, and hear the shoe men say

They ain't felt so encouraged this many and many a day.

Don't listen to the croaker, 'cause his liver's choked with bile:

He'd sooner groan in misery than wear a pleasant smile:

But join the grand procession and help to swell the song.

The good old times are coming, and they're coming right along.

—Shoe and Leather Review.

Mr. W. S. Mastin is an Independent candidate for Constable in the Sardis District, to be voted for at the November election.

Governor Bradley has been invited to be present at the Campfire of Joe Heiser Park, G. A. R., to be held at Electric Park three evenings during Fair week.

An infant son of Mrs. Richard Cogan of Cincinnati died of cholera infantum and was interred at Washington Thursday.

The child's father died about three weeks ago while on a visit to relatives at Mayslick.

The voters of the Eighth Magisterial District have a staunch friend in 'Squire W. H. Hook, who is a candidate for reelection.

Mr. Hook has been an ardent Free Turnpike advocate, and has never lost an opportunity to do what he deemed best for the people not only of his own District but of the whole county.

"Fair Week" promises to be quite lively. With the Fair during the daytime, a Beanbake by the G. A. R. at Electric Park and a first-class Repertoire Company at the Opera-house every evening, with the Salvation Army in light marching order both day and night, it does look like there'll be enough exercise to keep the mosquitoes off our moss-backs.

Dr. James Shackelford has been appointed by the State Board of Health a member of the County Board of Health.

He has gotten his certificate and is now ready to sit with the Board upon quarantines, prevalent diseases or contagious epidemics. The Board in authority has been reorganized and is now officered as follows: Dr. James Shackelford President, Dr. H. K. Adamsen, Dr. Thomas E. Pickett Secretary.

THE LEDGER desires to assure everybody that 25 cents will admit persons to every department of the Maysville Fair.

Pay 25 cents at the gate, and there will be no extra charge whatever for the Wild West show, the Balloon Ascensions or sets on the Grandstand. The men at the head of this enterprise are Maysville men, and they cannot afford to "fake" anybody. Come to the Fair and satisfy yourself.

Y. M. C. A. MATTERS.

What the Local Association is Doing For the City's Young Men.

Rev. H. A. Brown, a graduate of Center College who will shortly leave for South Dakota, will speak at the Men's Rally tomorrow afternoon at 4 o'clock.

Subject, "The Holy Spirit." Rev. Brown is a deep spiritual man personally, and what he will have to say on this interesting subject will prove of lasting benefit to all who hear him and especially Christians.

The spirited congregational singing will be enjoyed by all who attend. Let the workers engaged in Christian work in our city attend this service so that they may obtain a clearer insight as to the workings of the Holy Spirit. Let all our men attend, so that the whole service may be one very helpful in its tendencies. Lomonade at close.

Highest market price paid for Wheat and Rye at the Old Gold Flour Mills.

The Republicans of Carter, Lawrence, Boyd, Morgan and Elliott counties have nominated R. D. Davis of Ashland for Circuit Judge, James B. Wilhoit of Grayson for Prosecuting Attorney, and Hon. H. H. Gambill for State Senator.

## KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say.

The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

**Mister Kicker:** Inasmuch as many of our citizens are so slow that they are afraid of being run over by the C. and O. trains, how would it do for the Railway Company to have an ordinance passed fining every son-of-a-gun found standing, sitting, lying, walking, lounging or sleeping on the Front Street Mirandas?

**Dandies.**

## FAIR NOTES.

Some of the Attractions The Maysville Fair Offers to Patrons.

The greatest festival of mercantile commodities ever presented to a Fair-going people will fill Maysville Fair Floral Hall for four days, September 22d to 25th.

Not only are the local merchants interesting themselves to make each exhibit representing his particular line surpass any yet admitted before the human gaze, Maysville dealers as well as large manufacturing concerns will be in this van.

First and foremost, the Standard Oil Company, followed closely by the Kimball Piano Company, two or three range companies, while other concerns are negotiating for space, all of which point to the magnitude of the enterprise which is limited only by lack of space.

The good women of our city and county are deeply interested in the art department, in the domestic side of life, the fruit and flowers, cakes, bread, preserves and jellies, which will equal any exhibit at any fair, and on account of the perfection of fruit will surpass in quality any ever gotten together.

The arrangements absolutely are in the hands of the Superintendent, and he wishes to assure exhibitors of the perfect good faith which shall characterize his dealings in every department. Honesty, sound judgment, impartiality shall rule in the Floral Hall, and exhibitors can rest assured that entrance of their wares will not only be carefully looked after, but returned inviolate and subject to owner's order.

Now, every one make arrangements, all take part in this branch of Maysville Fair. It is by individuals acting that a consensus of opinion is formed. Not only should your interests be aroused, but your presence is courteously asked for, and a cordial welcome awaits all at the Maysville Fair, which convenes September 22d, continuing to Saturday, 25th, Tuesday, the 21st, being used as reception day for all articles. Price of admission to all, 25 cents.

No trotting or running races are to be witnessed at Maysville's great Fair, September 23d to 25th, this fall.

Heretofore big sums of money have been offered for these attractions, which are of interest to a small following only, while the real patrons to a fair are shut out.

Now, as home merchants are conducting this Fair, which is to be a fall ingathering, a harvest home, where friend meets friend in joys and pleasures mutual, the time will be given up to happiness, which enlists the majority and calls them forth to have some fun.

In lieu of races green horses will compete for small money premiums each day. Any horse is eligible which has no record, owners to drive, no entrance fee, no charges whatever.

Wednesday, September 23d, Brown and Adams county horses. Thursday, September 24d, Fleming and Bracken. Friday, September 25th, Robertson and Mason, while Saturday is set apart for a great free-for-all. Remember, either pacer or trotter can go in, as the races will be mixed. This explained, we have given to you a scheme brim full of excitement, enthusiasm and fun. Train up your roadster and come down to Maysville Fair September 23d to 25th.

## Eyesight

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

## SOME FUN AHEAD!

There Will Probably Be Lively Times in Mt. Sterling Next Week.

The Winchester Democrat says when the Kentucky Conference of the M. E. Church, South, meets at Mt. Sterling next week one of the most important things to occupy the attention of that body will be the appeal of Rev. H. C. Morrison.

Two years ago Mr. Morrison went to Dublin, Texas, and held a "Sanctification" meeting, in spite of the protests of the Pastor and the Presiding Elder at that place.

This is contrary to the Methodist Discipline and charges were preferred against him in the District to which he belonged.

He was tried at Lexington, Presiding Elder John Reeves of Winchester officiating.

No charges affecting his Christian character or piety were made, but he was tried solely upon matters of Church polity.

He was expelled from the Ministry and the Church, and has appealed to the General Conference.

It is said there are 136 Preachers in the Conference nearly equally divided on the question of Sanctification.

For years direct action on it has been avoided by skillful management, and the outcome of the matter will be watched with interest.

If you want the very best Flour, try M. C. R.

The Rev. George O. Barnes has attacked Satan's citadel at Frankfort.

We make a specialty of exchanging Flour for Wheat at the Old Gold Mills.

Rev. T. H. Cartmell of Covington will conduct a protracted meeting at Aberdeen beginning September 15th.

Mrs. James F. Wooloms of Millersburg has been quite ill for several days, and her sister, Mrs. James Cummings of this city, is with her.

Mr. John Stillwell, a former resident of Maysville, and who has relatives in this county, died a short time since at Lafayette, Ind., aged 82.

On a recent fishing trip to Cedarville, Mich., the Editor of The Flemingsburg Times Democrat met a Mr. Taylor of Chicago, who was fifty years ago a resident of Maysville. This proves THE LEDGER'S assertion that the "Man from Maysville" is everywhere. We expect some day to find one in Heaven.
