Correspondents will please send letters so as to reach us not later than 9 o'clock a.m. Give facts in as few words as possible. We want news in this department, and not advertising notices or political arguments.

Miss Mary Scudder is able to walk about her cot in the Cincinnati Hospital.

The funeral of Mrs. Austin Holmes was largely attended from her late home yesterday afternoon.

Mr. Ben T. Cox has just reason to be proud of his winning race for City Clerk. He beat a couple of "rustlers."

Y. M. C. A. MATTERS.

What the Local Association Is Doing For the City's Young Men.

The Board of Directors will have an important meeting in the rooms this evening at 8 o'clock. State Secretary Rosevear is expected to be present at this meeting as he will be in the city today.

On account of the above-mentioned meeting the first session of the Bible Training Class will be held at 8:15 o'clock on Thursday night next.

The gymnasium work will begin tomorrow afternoon, the business men's class having its first meeting at 4 o'clock and the class for young men will open at 7 o'clock. Visitors will not be expected at the gymnasium during class hours until classes are in good shape.

The Women's Committee will hold its regular monthly meeting at 3 o'clock Friday afternoon.

The Juniors' reception last evening was a howling success. The piano solo by Miss Florence Wadsworth, the violin solos by Miss Lida Rogers and the recitations by Misses Corinne Clinkinbeard and Suzanne Hall were heartily enjoyed by all the boys and others who were present. More than fifty boys were in attendance and the good time had was inspiring. Great praise is again due our ladies for their tireless efforts to make the reception a success. Molasses candy kisses were passed around at the close.

TITLED AMERICANS.

Four Hundred Heiresses Have Married Foreign Noblemen.

St. Louis Globe-Democrat.

The newspaper gossip about Miss Pauline Astor and Miss May Goelet, who, with their millions, are able to buy anything in the matrimonial market that Europe has for sale, has revived many reminiscences of previous alliances of American ladies with foreign noblemen. Rumor has it that negotiations are pending for a marriage of Miss Astor to Prince Alexander of Teck, and that Miss Goelet is hesitating between the Duke of Manchester and the Duke of Roxburgh, but whether she takes one or the other, neither Miss Goelet nor Miss Astor will do any better than Miss Mackey, now the Princess of Colonna, or Miss Vanderbilt, now the Duchess of Marlborough. The question is only one of expense, for it is perfectly well understood that the titles are for sale, and also that the higher the title the higher the price.

A plain Count may be had for \$50,000 to \$100,000, a Duke \$1,000,000, or as much more as he can get; an Italian Prince for about the same, but a Prince of Germany or England comes much higher.

During the last quarter of a century over 400 alliances between American heiresses and foreign noblemen have been contracted; the fortunes transferred from America to Europe vary in amount from \$50,000 to half as many millions, and so far as this country is concerned, are a total loss, because the noble foreigners prefer to spend at home the money they win in the American matrimonial lottery. It is estimated that during the last quarter of a century over \$200,000,000 of money made in this country by American citizens have been sent abroad as dowries for American heiresses who preferred titles to dollars.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE LEDGER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHERRY & Co., Toledo, O. Sold by druggists, 75 cents. Hall's Family Pills are the best.
