

SEVENTH YEAR.

MAYSVILLE, KY., THURSDAY, JUNE 23, 1898.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

We Have!

Always contended for and maintain it is a fact that there is a higher order of intelligence evinced in the business of general merchandise by the people in this and nearby counties than most anywhere else. You will find few persons who do their shopping in Maysville who believe that \$1.98 will buy a \$12 suit of clothes. Our many years experience goes to show that people want good goods, and for which they are willing to pay a fair price. Our 1898 spring business proves that the higher the class of goods the readier they sell. Our beautiful Black and Blue Serge Suits (we sell them at \$12) have bounded into wonderful great favor with our good dressers. We have a beautiful line of them. The weather is getting right for our

Crash Suits

Our Crash Suits are right for the weather. Prices ranging in this line

From \$2.50 to \$7

They are worth your inspection. On Saturday we will open our Children's and Boys' Crash Suits.

OUR SHOE DEPARTMENT is now complete in Summer Footwear. We handle only the best quality of goods in this line. Our Fine Patent Leather Shoes which a few days since were closed out are replenished with a shipment of the very latest and correct styles.

THE BEE HIVE.

Wonderful Bargains in Summer Fabrics.

In order to make room on our over-crowded shelves we have reduced all that is left of our great stock of French and Egyptian Tissues, satin and silk striped Ginghams, including the finest of Scotch Ginghams, to 25c and 30c a yard. These are all goods that have sold from 40c to 60c a yard, every piece being of this season's purchase, of very choicest designs and superior quality. There's a limit to the quantity, of course, but you can have your choice of 'em as long as they last at the ridiculously low price of 25c and 30c a yard.

UNDERPRICED UNDERWEAR.

We purchase underwear in huge quantities direct from the mills. Hence we save you the jobber's profit that is included in the ordinary retailer's selling price. We show exceptional values in Ladies' Ribbed Vests at 5c and 10c; extra sizes 15c. Some great bargains in Infants' Little Vests at 10c. A great leader is a Man's Hair-briggin Suit, all sizes, at 30c the suit.

HOMESPUN FOR WAISTS.

This is a high grade of Linen Crash especially adapted for Ladies' Waists and Boys' Suits. Great values at 15c, 18c and 25c a yard. We have also an immense line of Dress Crashes at 10c, 15c and 18c a yard, all of them big values at little prices.

MISCELLANEOUS MENTIONINGS.

We've no need nor space to say much about our Ladies' Linen Collars at 10c. Up-to-date Military Belts at 25c. Leather Belts, 10c to 50c. Best and Skirt Supporters in leather or plated, 5c and 10c. Extra long Pique Pure Ties, 25c. Silk String Ties, 10c, each, three for 25c. Butter-milk Soap—three cakes—10c a box. A box of Face Powder and bottle of Perfume combined, 5c a box.

THE LEDGER PRINTS THE REAL NEWS

A STUDY IN CROSS SECTIONS.
The hour his collar now will show
At 9 a. m. he'll wear
One like the diagram below.
Fresh from the laundry's care:

But, as the sun his noonday ray
Casts into every nook,
That collar, once so stanch and gay,
Like this begins to look:

And long before the shadows kiss
The petals of the rose,
It owns defeat and sinks, like this,
To permanent repose:

JR. O. U. A. M.

That Order Owned the City Last Evening and Made Things Hot.

John V. Keech Council No. 16, Jr. O. U. A. M. was out in force last night and for a time had things its own way.

The Order had arranged to have a big parade, and to wind up the evening by attending the show at Fremont Park.

The parade was all that was wanted. Colonel William Rosser was Grand Marshal of the evening, and mounted on a fine charger led his boys through the principal streets.

Rudy's Drum Corps furnished martial music, and in the line were wagons in which were seated Uncle Sam and Miss Columbia, followed by other celebrities.

The vessel Merimac, with Captain Ben Smith as Hobson, and the members of the Junior Order, brought up the rear.

Old Zollcoffer was much in evidence and by its noise added a certain degree of patriotism to the occasion.

After the parade the Order wended its way to Fremont Park and there had things its own way.

Quite a large crowd was present, tickets having been sold extra for the night's performance, proceeds from which are to go for a big flag-raising in honor of the achievements of Dewey and Hobson in the Spanish-American War.

Quite a neat sum was realized as fully 1,300 were present, and nearly 1,000 turned away.

The Order wishes to return thanks to the public for its patronage in making the undertaking a success.

Worth Saving.

Comparison of cost of gas at main office Western Union Telegraph Company, San Francisco, using the Welsbach System, with same period in previous year while using ordinary burners, shows a saving of over 50 per cent:

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy by a friend, who, knowing me to be a poor widow, gave it to me; I tried it and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. Sold by J.
