Help for the Hair

As what a great many men and women are looking for help against approaching baldness; help against whitening locks; help to restore the lost gloss to the hair; help against fading tresses; help for the scalp attacked by dandruff. AYER'S HAIR VIGOR offers just such help. It restores gray or faded hair to its original color, gives it length, thickness and gloss, and removes dandruff.

My hair was rough and broken and began to fall out. The use of but one bottle of AYER'S HAIR VIGOR both checked the falling out and rendered my hair smooth, glossy and in splendid condition. It is the finest of dressings.

Mrs. F. L. SMITH, Silver Creek, Miss.

"Some years ago my hair began to fall out and I became quite bald. By advice I tried

Ayer's Hair Vigor

and very soon my hair ceased to fall out and a new and vigorous growth made its appearance. My hair is now abundant and glossy."

COUNTER CLAIM.

A Mt. Carmel Man Wrestling With a Cincinnati Firm For \$427.50.

Some time ago Mr. George T. Beckett, engaged in business at Mt. Carmel, made an assignment.

Among his creditors was the Charles Brown Grocery Company of Cincinnati, which entered suit in the Fleming Circuit Court for the sum of \$419.

Mr. Beckett claims that the amount is offset by another account of \$427.50, due him from the plaintiff.

He alleges that he purchased from J. N. Fleming, a representative of the Brown Grocery Company, 450 kegs of nails at 95 cents per keg, and the Company refused to deliver same because the market price was about \$1.85 per keg.

He claims the Company owes him the difference in the price at which he bought them and the market price.

Plaintiff alleges the sale was only a joke on the part of Fleming, but, win or lose, the costs will make it a somewhat high-priced joke.

The trial occupied several days and the Jury is now wrestling with the testimony.
