

WAS READY TO DIE.

William Miller Hanged at LAGRANGE, Ky., for Rape—First Legal Execution in Oldham County in 33 Years.

LA GRANGE, Ky., Feb. 4.—William Miller, the colored rapist, was hanged here at 7:14 o'clock Friday. This is the first legal hanging in Oldham county in 33 years. The execution took place in the jail yard, and only about 50 persons witnessed it.

The crime for which Miller was hanged was committed about 2 o'clock on the afternoon of September 1. Mrs. Gertrude Leet, wife of Frank Leet, a farmer, residing four miles west of LAGRANGE, had visited her grandmother, Mrs. George Head, near Peru station. She left on horseback for home about 2 o'clock, and when a short distance from her grandmother's was assaulted. Miller intercepted her in a clump of bushes, and called to her to stop. She turned her horse so as to face him. He put his hand behind her as intending to draw a pistol, and demanded her to dismount. She screamed and the Negro threatened to blow out her brains if she made another outcry. He then pulled her from her horse and choked her until she was unable to resist him further.

EX-CONGRESSMAN STONE.

He Issues an Address to Kentucky Democrats Formally Announcing Himself a Candidate for Governor.

LOUISVILLE, Ky., Feb. 4.—EX-Congressman W. J. Stone, of Kuttawa, Friday issued an address to the democrats of Kentucky formally announcing himself a candidate for the democratic nomination for governor, and declaring the platform on which he stands. Capt. Stone is in favor of the Chicago platform, with a clause opposing expansion and imperialism as a platform for 1908, and the renomination of Mr. Bryan for the presidency. He will advocate "the free and unlimited coinage of silver at 16 to 1 without the consent of any foreign power."

SAWED THE JAIL BARS.

As Escape of Alleged Murderer Was Narrowly Averted at STANFORD, Ky.—Jailer Gave the Tip.

STANFORD, Ky., Feb. 4.—A jail delivery was narrowly averted here. John Haley, who was acquitted of robbery after an incarceration of a few weeks, told the jailer that there were saws and tools in the jail. Investigation showed several bars sawed almost in two, and the cracks filled with chewing gum. As E. K. Wilson, charged with the murder of Miss Cloyd, at London; Thomas Baker, who got a life sentence for killing Sheriff White, of Clay, and 20 other prisoners were in jail, the discovery was an important one.

Guards May Be Paid.

FRANKFORT, Ky., Feb. 4.—The court of appeals Friday, in the case of Taxpayer Cahill vs. Perrine, sheriff of Mason county, decided that corporations do not have to file acceptances of the protection in order to obtain the protection of the Martin anti-mob law passed in 1897. The suit was brought to enforce payment of guards who protected turnpike property from raiders, and the petition for an order restraining payment to guards is ordered dismissed.

Judge Unthank Is Dead.

PINKVILLE, Ky., Feb. 4.—Judge John M. Unthank died at his home at this place Friday morning after several days' illness. He was one of the most prominent lawyers in this section, and at the time of his death represented various land corporations in this section. He was a noted politician, being the only democrat that ever represented this district in the legislature. He was about 60 years old, and widely known throughout the state.

Whisky Going Up.

LEXINGTON, Ky., Feb. 4.—The distillers throughout the Blue Grass belt received telegrams Friday for large orders of whisky. The price is steadily going up, and it is anticipated that it will increase \$10 to \$15 per barrel on account of the recent Kentucky combine.

Supplemental Tax Illegal.

FRANKFORT, Ky., Feb. 4.—The court of appeals Friday reversed the decision of the Kenton circuit court in the case of M. H. Tate and others against the Erlanger board of school trustees. The collection of a supplemental tax is held illegal, and a perpetual injunction and restraining order is granted.

THE HON. J. DISTURBER WHITE of the mountains, having failed for election to Congress from the Eleventh District, now threatens to oppose Hon. JOHN C. WOOD for Railroad Commissioner. It's a great pity that Mr. WHITE couldn't be employed and laid away on the political top shelf.

AKRON, O., is said to have been selected by the National Liquor League for an object lesson. It is proposed, according to the story, to close all the saloons for a period of two years, the saloon keepers to be provided for meantime. Providing for the saloonists is well enough; but there'll be many Akronic toper who will wonder where he is at.

THE Cincinnati Board of City Affairs has decided that brick streets are impracticable, and they will not pave any street in that city in the future with that material.

Asphalt and granite alone will be used. They cite as examples the paving on Linn, Baymiller and Woodward streets. These streets, they say, show that the brick street should have no place in Cincinnati. An order was issued to the City Engineer to report the condition of all brick-paved alleys.

It is the opinion of the Board that brick is practicable for alleys.

The internal revenue receipts for January will be, approximately, \$21,000,000, a slight decrease from December, but an increase over January, 1898, of over \$8,500,000. The Pride OF THE WORLD IS The Vulcan!

We know that this is the best DISC HARROW in the world! It cost us considerable money and three years time spent fooling with other Harrows to find out this. We give you the information gratis. This Harrow has thirteen discs—seven discs in one gang and six in the other. Throw the gangs in any position you please, on either side of the hill or any angle of a cross-cut and this seventh disc is always in the middle performing its work—positively and absolutely cutting out all the center. This Harrow has no neck weight, runs light and, owing to the patent method of hanging the gangs, literally tears the ground all to pieces. It is the strongest and best made Harrow on earth, weighing 625 pounds! We put out forty-four of them last Spring and they simply revolutionized the business. We can show you voluntary testimonials from the best farmers in this country! Don't make a mistake but buy an up-to-date Harrow. We have just received a carload of them and can name the lowest price on record!

We know that the VULCAN is the best Plow made. We wrestled with plow handles, trying to hold the Plow into Bracken county soil, two full years before we found this out. You need not tell us your troubles with other Plows—how hard it is to hold into land—what a mean furrow it makes—how your points break—how the bolt in the point is eternally breaking—how you have to carry the Plow around the end—we have been all along the line. But our troubles all ended when we bought a VULCAN! The Vulcan Point, Landside and Moldboard interlock—do not let on to the Standard. You never break a bolt on a Vulcan Plow because the interlocking device takes all the strain off the bolts! We put out last year 103 Vulcan Plows and never sold a single Moldboard. Vulcan Moldboards are rigid—the ridges are not chilled thus adding 40 per cent. to their strength. Owing to the peculiar shape of the Vulcan Landside it takes the land well and sticks. Why the Vulcan plows a fairly good furrow without the operator holding the handles!

FARM WAGONS!

We experimented with FARM WAGONS eight years before we found one to suit us. At last we found 'way down in Alabama a factory who would build a Wagon the way we wanted it. We have the spokes made of butt cuts off two-year old hickory—hubs of Pennsylvania black birch—all woodwork dipped in hot linseed oil—swelled tires put on perfectly cold—boxings put in hubs without any wedges—ironed very heavy—built in proportion and perfectly balanced. This Wagon runs like a buggy! This Wagon is called FLORENCE after the town in which it is made. We have patent brake on this Wagon, hung from rods on both sides, thus bringing direct pressure upon each wheel in locking. We buy these Wagons in five carload lots and quote the lowest price on earth. ONLY \$37.00 for Two-horse Running Gear. ONLY \$47.25 for Two-horse Wagon complete with Bed, lazy-back Spring Seat, anti-spreader, and Patent Brake—brake your Wagon from both right and left-hand side.
