

# THE SENATE ACTS.

### Gorman Amendment to the Army Reorganization Bill Accepted by Republicans.

### MEASURE PASSES BY VOTE OF 55 TO 13.

### The Bill Places an Annual Expenditure of Eighty-Five Million Dollars on the Country.

### The Provisions of the Act Shall Continue in Force Until July 1, 1901—After That Date the Army Shall Be Reduced to as at Present.

WASHINGTON, Feb. 28.—The senate adopted the Gorman amendment to the army bill by unanimous vote. The republican members of the senate military committee have agreed to accept the Gorman amendment to the army reorganization bill.

The army reorganization bill passed the senate at 7:10 Monday evening by a vote of 55 to 13.

After a contest that will be memorable in the history of the senate, the compromise army reorganization bill was passed Monday evening at 11 o'clock Monday morning it seemed more than likely that the bill might not be passed during the day. Mr. Gorman, of Maryland, insisted that his amendment providing that the army should not be increased permanently or beyond July 1, 1901, be incorporated in the measure. For several hours it appeared probable that his insistence at least would throw the bill over until Tuesday and perhaps defeat it. An agreement was reached finally, however, and Mr. Gorman's amendment, in a slightly modified form, was accepted.

The notable speech of the day against the measure was delivered by Mr. Vest, of Missouri, but his brilliant eloquence availed nothing against the measure as finally agreed upon.

Monday night the senate took up the sundry civil bill and completed its reading, all the committee amendments being agreed to except those relating to the District of Columbia. The bill was then laid aside to be completed Tuesday.

The following is the vote on the reorganization army bill: Yeas—Allen, Allison, Bacon, Burrows, Carter, Chandler, Clark, Cockrell, Cullom, Deboe, Elkins, Fairbanks, Faulkner, Foraker, Frye, Gallinger, Gear, Gorman, Hanna, Hansbrough, Harris, Hawley, Helffeld, Jones (Nev.), Lindsay, Lodge, McBride, McNary, McLaurin, Mallory, Mantel, Mitchell, Money, Morgan, Murphy, Nelson, Pasco, Perkins, Pettus, Platt (Ct.); Platt (N. Y.); Pritchard, Proctor, Rawlins, Roach, Ross, Sewell, Shoup, Simon, Smith, Spooner, Stewart, Teller, Warren, Wellington, 55.

Nays—Bate, Berry, Butler, Caffery, Chilton, Clay, Daniel, Hoar, Martin, Pettigrew, Turley, Vest, White, 13.

# THE INDIAN BILL.

### Conferees Have Reached a Final Agreement on the Amount of Appropriations and Have Submitted a Report.

WASHINGTON, Feb. 28.—The conferees on the Indian appropriation bill have reached a final agreement and have submitted their report. The senate amendment relating to sectarian Indian schools is retained, but the amount is reduced so that not exceeding 15 per cent. of the amount used in 1895 shall be used next year. A new provision adds the words that this shall be "the final appropriation for sectarian schools."

The agreement continues the Lincoln Institute of Philadelphia struck out by the house. The amount for the Carlisle school is restored to the sum fixed by the house. The amounts are increased somewhat for Flandreau, S. D.; Pipestone, Minn., and Tomah, Wis. The secretary of the Indian department is authorized to suspend the operation of the pending law on Chippewa timber lands in Minnesota and provinces for an investigation of conditions by officers of the department. This is an agreement to the senate provision. The senate provision also is adopted for an insane asylum for Indians at Canton, S. D. All the treaty agreements added by the senate are struck out, viz: agreement with the lower Brule and Rosebud Sioux Indians, the northern Cheyennes and the Shoshone and Bannock Indians.

### A COUNTERFEITING CASE.

### Safe Deposit Box at Toledo, Rented by Alfred Kent, Found to Contain Counterfeit Money, Dies and Plates.

WASHINGTON, Feb. 28.—A dispatch received Monday night by Chief Walker, of the treasury secret service, discloses an unexpected termination to a counterfeiting case which was being investigated by the officials. Saturday a box in a safe deposit vault at Toledo, O., rented in the name of Alfred Kent, but the owner of whose contents failed to appear, was forced open and between 3,000 and 8,000 of counterfeit notes was found. With them also were discovered dies and plates required to produce the counterfeits. More than a year ago, on the 4th of January, 1898, a man giving the name of Alfred A. Creps, was arrested at Greensburg, Ind., on the charge of passing a counterfeit note, but after a hearing by the local magistrate was discharged, there not being sufficient evidence to hold him. Afterwards this man committed suicide in Wooster, O., and the officials of the secret service, after thoroughly working on the case, have reported to Chief Walker that this person and the man Kent who rented the safe deposit box are one and the same, thus, they believe, solving the mystery.

### The Tidings Are Brought to Gen. Otis, the Commanding Officer, by Two Commissioners.

### The General, However, Did Not Receive Them Officially—All is Quiet at Manila—Arranging for Release of Spanish Prisoners.

MANILA, Feb. 28.—Two commissioners who returned from Malolos under a flag of truce Monday report that 8,000 rebels are anxious to surrender. They also express the belief that Aguinaldo is inclined to accept pacific overtures. Maj. Gen. Otis did not receive the commissioners.

Except for an occasional volley and some individual firing by the rebels from the jungle near Calococan, along the river and in the vicinity of San Pedro Macati, all was quiet along the entire line Sunday night. The enemy's sharpshooters at Calococan continue to annoy the soldiers in the daytime; but the Americans no longer pay much attention to them, reserving their fire until the rebels appear in the open in sufficient force to justify a volley or an occasional shell. During the night the men are so accustomed to the enemy's salutes that a majority of them remain undisturbed, secured by the outposts and sentries.

In Manila absolute quiet prevails, the streets are deserted and the only sounds to be heard after 7 o'clock in the evening are the tramp of the pa-

### A Matter of Convenience.

It is the small thing that counts in the long run, and when the run is as long as that of the "Pacific Coast Limited," that is, from St. Louis to Los Angeles and San Francisco, the small things that contribute to the comfort of the passenger are of great importance.

The Pacific Coast Limited is a palatial train, solid vestibuled, to California points, running semi-weekly, leaving St. Louis every Tuesday and Saturday at 10:30 p. m., and reaching California the third day out.

The equipment is the surpassing thing, entirely new, and consisting of composite car, with barber-shop, bath room, buffet, and observation, reading and smoking room, ladies private compartment and observation car, Pullman top-section double drawing-room sleeping cars, and a most superior dining car. Meals are served in a car, which means that incumbrance limits expense in this matter.

To answer questions is really no trouble at all, so address your inquiries to A. A. Gallagher, District Passenger Agent, 408 Vine Street, Cincinnati, O., and receive a descriptive book of the train.

### Direct Route Between the East and West.

Passengers going to any point East or West, and desiring a quick and comfortable trip, should take the Baltimore and Ohio Southwestern Railway. It is the only line operating its own through trains between St. Louis, Springfield, Panama, Vincennes, Louisville, Cincinnati and New York via Washington, D. C., Baltimore and Philadelphia.

It also has the enviable reputation for speed, comfort and safety and the regularity of its trains is proverbial with the traveling public. The traveler over the B. & O. is permitted to catch glimpses of the greatest scenery in America. Riding in solidly vestibuled palace trains, you see a photographer's paradise, the somber Allegheny Mountains, the beautiful Shenandoah River, the historic Potomac, and the valley of the Virginias.

The "Royal Blue Service" consists of the most magnificently furnished Pullman drawing-room sleepers, and luxuriously appointed dining cars operated by this company. Meals are served in a la carte West of Trenton, and table d'hote East of that point. The coaches are all lighted with Parachase gas, and have the latest conveniences, including the most comfortably designed smoking apartments and lavatories. All trains of this line connect in the Union Depots with those for points in above named territory.

The B. & O. S. W. is a favorite route with the large commercial buyers when traveling between New York and the West.

### Pacific Coast Limited Between St. Louis and California.

Commencing November 1st and continuing thereafter during the season the Iron Mountain Route in connection with the Texas and Pacific and Southern Pacific 3 days (the True Southern Route) will re-establish their elegant through service to the Pacific Coast, which train proved such a great success last season. The train consists of Composite Car, containing reading, writing and smoking room, buffet, barber-shop and bath room; Compartment Car containing seven private compartments and double drawing-rooms; two or more sleeping cars containing twelve sections, staterooms and drawing-rooms; Dining Car in which all meals are served a la carte. The equipment used is of the most modern and improved Pullman pattern, vestibuled throughout, heated by steam and lighted by electric gas. Entirely first-class train and run for first-class travel exclusively. This train will leave St. Louis every Tuesday and Saturday at 10:30 p. m., arriving Los Angeles every Friday and Tuesday at 4 p. m. and San Francisco every Saturday and Wednesday at 11 a. m. Less than three days to California. In addition to the above service a weekly tourist car will be run between St. Louis and California via the above route, leaving St. Louis every Friday morning. These tourist cars are available to holders of second class tickets. This route is recognized by the traveling public as the ideal winter way to the Italy of America and her sun-kissed valleys. No high altitudes and free from ice and snow. Space in sleeping cars reserved on application. For rates, time cards and further particulars address A. A. Gallagher, Agent, 408 Vine Street, Cincinnati, O.
