The Contemplated Retirement From a Long Business Career.

D. Heehinger, nominally Heehinger & Co., are going to retire from business—in plain words are going to sell out.

Fortunately for the people, this step was not contemplated until after their entire spring stock (not less than \$40,000) had been purchased and placed in their house.

It is needless to say a word about the class of goods that will be thrown on the market. It is a patent fact, not only in our midst but in the commercial world, that few merchants buy the uniformly high class of goods that Heehinger & Co. have always bought.

Our retirement sale will begin April 1st. It will take us until then to arrange our stock for the sale. Every article in the house will be sold at net cost, no more nor less.

Our readers will most assuredly take advantage of this sale. It is a rare occurrence that a stock of

CLOTHING,
MEN'S FURNISHINGS,
MEN'S AND BOYS'
FOOTWEAR

of such high character are thrown into a forced sale.

Heehinger & Co. D. HUNT & SON.
