A regular \$1.50 white Pique Skirt is marked 98c.

**A SONGLET.**  
 When the early robin singeth,  
 And the buzzing beetle wingeth,  
 When the happy fellow clingeth to the beachers at the game;  
 When the daily raintlet droppeth,  
 And the festive furnace stoppeth,  
 When the budding verdure toppeth every tree—sweet spring has come!

When the tiny grasslet sprouteth,  
 And the iceman gaily shouteth,  
 When the pretty maiden poueth and for shirt waists doth declaim;  
 When the sweet pea seedlet groweth,  
 And the Kansas cyclone bloweth,  
 That's when everybody knoweth that the balmy spring has come!

When the first wild flower arriveth,  
 And the spoony young man driveth,  
 When the restless man cometh to a fishing trip proclaim;  
 When nocturnal Tabby howlith  
 As upon the fence she pawlith,  
 When the gloomy coalman swoilith we're aware that spring has come!

When the sarsaparilla cometh,  
 And the guitar softly strumeth,  
 When the louty poet hummeth in the hope of worldwide fame;  
 When to work nobody leanteth,  
 And the lusty maiden cleanteth  
 All the house, it merely meaneth that the joyous spring has come!

NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

The fog yesterday morning delayed packets somewhat.

A slight rise, it is thought, will result from Tuesday's showers.

The Government has contracted with a Jeffersonville firm to build a steel tugboat at a cost of \$28,000.

Major S. R. Crumbaugh, Supervising Inspector of Steam Vessels of this District, it is stated, has notified Local Inspectors Atkinson and Williams of Pittsburgh, in answer to their inquiry, that it is not necessary for excursion barges to have a licensed officer.

Commodore Laidley says there is nothing in the story that the Bonanza has been sold or that her machinery is to be used in another boat. It is a fact, however, that the bar privileges have been chartered for one year for \$750 per annum by parties interested in the Dayton Beach Resort.

Captain B. B. Bradley sold the towboat Vidalia to Captain I. N. Fleisher, representing the New Haven Towboat Company of Middleport, O. They paid \$2,500 for her and bought her to take the place of the New Haven, recently sold to St. Louis parties. They will take her up on her own steam Saturday, and will expend \$2,000 or \$3,000 on her in repairs when they get her to Middleport. The Vidalia was formerly owned by the Government and was recently purchased by Captain Bradley.

The steamer Burnside, which runs regularly between Burnside and Burkeville, on the Cumberland river, except when the river is too low, arrived at Cincinnati Monday evening and tied up at the Cincinnati Marine Ways. Both the Burnside and her companion boat, the Burkeville, were built at the Cincinnati Marine Ways.

The advent of the steamer City of Pittsburgh in the daylight run between Cincinnati and Louisville will be watched with great interest by many persons. A daylight ride of 150 miles for \$1 will be the magnet that will draw many passengers to the river. Captain Phillips is one of the most popular Commanders on the river, and associated with him is a crew composed of the best people he can hire.

The Government dredges, Ohio and Oswego, have finished the work laid out for them at Cullom's, and, according to information received from the steamer K. L. The Aubrey brought up the dredges from Cullom's and landed them at the Newport wharf, and then went after the scows and other floating property belonging to the Government and passed up yesterday with them for Bonanza Bar.

**Deafness Cannot be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused, by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
