The bell for Washington Opera-house was hung in place yesterday, and its tones were heard all over the city and far into the country. It is a bell. The ringing apparatus will be adjusted today; when all will go as merry as a first-class firebell.

Clara, daughter of Judge Walther of Georgetown, O., spent the holidays with her uncle, Mr. C. A. Walther, in this city. The river being frozen over, Miss Walther returned home on a C. and O. train. Shortly after her arrival she became ill, diphtheria appearing in the most malignant form. On the train the child said she sat in a seat with a lady who said she was going to Louisville for throat treatment, and it is from her Miss Walther is supposed to have contracted the disease. With the best medical treatment the child is getting along nicely and is thought to be out of danger.

Don't fail to hear the Boston Ladies' Symphony Orchestra Thursday night at Opera-house. No company before the public has made such successful tours as has this organization. Twice as many dates could be filled by them were they only able to extend the calendar. A Maysville man who recently heard them in the North says that they are even better than last season. Another star feature has been added to the Orchestra in the person of Master Henry Donlon soloist of St. Paul's Church Choir of Boston. His selections are rendered in such artistic style that he has fairly earned the right to be classed with the leading adults of the day.

EXTEND A WELCOME.

Mayor Stallcup invites Visitors to the Tobacco Fair Saturday.

Doubtless on Saturday Maysville will be visited by a number of strangers who will make their first visit to the city, and in giving them a hearty welcome the Mayor and City officials will do their part, as evidenced in the following:

To Our People: On the 20th of January, 1900, it is proposed to open the gates of our city of Maysville, not only to the producer of tobacco, but to any and every one interested in the question of tobacco in all of its aspects, whether it be its cultivation, handling or sale. In view of this fact, I feel that I am not going beyond my prerogative in calling the attention of our good citizens to the great interests involved in this Tobacco Fair, instituted and put into operation by our Board of Trade, in urging upon our people to open our gates, welcome and entertain the guests who may come into our midst. The hospitality of Maysville is renowned. Let us increase its high reputation in that and all other respects by showing to those who visit us the best courtesy and the most generous entertainment. To this end the Mayor and his staff will devote their greatest energies in the hope that they will meet with the cooperation of all good citizens. Respectfully, W. E. STALLCUP, Mayor, January 16th, 1900.

Tablet's Buckeye Eye Ointment is the only remedy for blind, bleeding or protruding eyes, induced by physicians; cures the most obstinate cases. Price 50 cents in bottles; tubes, 75 cents. J. Jas. Wood & Son.

The Ohio is falling at Pittsburgh and also at this point.

The Pomeroy Packet Company is short on packets at the present.

The Thealka, the new Big Sandy river packet, has been pronounced O. K.

The W. W. O'Neil and Alice Brown are waiting for 15 feet in the Lower Ohio.

The Keystone State for Pittsburgh passed up last night on the Virginia's time.

The C. B. Pearce is now running again in the Portsmouth-Cincinnati trade.

There is an immense amount of freight being moved by the packets at present.

The Avalon will probably take the place of the ill-fated Nisbet in the Pomeroy trade.

The Virginia passed down this morning from Pittsburgh. She will return tomorrow night.

The Stella Moren, Coal City and Tom Dodsworth left Pittsburgh Monday with coal for the South.

The towboat firemen have struck at Pittsburgh, and the combine imported 100 Negro firemen in order to get out the tows.

The Iron City left Pittsburgh yesterday with a miscellaneous tow-one barge of steel rails for New Orleans, one barge of wire nails for Memphis and the balance coal.

Despite the strongest efforts of the Hercules Carrel to raise the sunken steamer W. F. Nisbet Monday, she utterly failed to float the wreck, and it is reported on good authority that she has been abandoned. The best Carrel could do was to lower the water in her eighteen inches, and that advantage was held but a short time. The conclusion arrived at that the forty-foot hole in her side, which was bulk-headed a week or more ago, was not her only injury. The Nisbet is now a total loss, so far as the company is concerned. She will probably be taken possession of by the insurance companies.

For chapped hands and rough skin use Ray's Eclitine, at Postoffice Drug Store.

The Sol Smith Russell Company, an organization that has no superior among traveling companies, will present the great play "A Poor Relation" at the Washington Opera-house Monday, January 29th, with Frank J. Keenan, a young actor, playing the part of Noah Vale. "A Poor Relation" is clean, sweet and wholesome, full of humor and pathos and in direct contrast to the problem play, the risky French farce and the rough, knock-about farce comedy of the present time.

In pulmonary trouble the direct action of Cousen's Honey of Tar upon the throat, chest and lungs immediately arrests the malarial by relieving the distress, cutting the phlegm and freeing the vocal and breathing organs. Price 25 and 50 cents. J. Jas. Wood & Son.

Rescue of Ointments For Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists, Price 75c per bottle. Bargains!

The much-abused word is used with careful significance. We are not going to tell of bargain lots or of the wisest pruning here and there for price reductions. The old methods are abandoned-we venture a new departure. Today we put one price on every Coat and Cape in our possession and that price \$5.

How can we? Well we can't-and make money. Of course we don't do it for your sole advantage-it would be foolish to pretend it, and you wouldn't believe us if we did. We do it simply because it is wise merchandizing. A dry goods man counts it "the better part of valor" to begin a season without left-overs. To assure this satisfaction next fall we endure losses now. Our entire stock is at your disposal-nothing reserved. Of course lines and sizes are broken, but we have an excellent assortment still.

Remember Coats and Capes That Have Been \$10, \$12 and \$15 You Can Buy for \$5.

Sounds incredible? But it's easily proved. Besides you have our honest store-keeping of nearly 50 years to solidify the statement. Coats in black and colors, plain and trimmed, \$5. Capes in black and colored cloths, plain and trimmed, \$5. Flash Capes, jetted and fur trimmed, \$5. Former prices ranging from \$8.50 to \$15.
