The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1907, trying every cough medicine I heard of without permanent help, until one day I was in the Drug-store of Mr. Hoelshian and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I get a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by J. Jas. Wood & Son.

The origin of the word ghetto has been under discussion in German papers lately. The most approved version is that which traces it to the Venetian custom of compelling Hebrews to live in the neighborhood of the gatta, or gun factory.

A Convincing Answer.
"I hobbled into Mr. Blackmon's Drugstore one evening," says Wesley Nelson of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine, as they all failed. He said: 'Well, if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by J. Jas. Wood & Son.
