False Economy

Ask the Merchant who does not use the columns of THE LEDGER why he does not advertise, and nine times out of ten he will tell you that he can't afford it. Foolish man! Let him try the experiment; and unless all experience fail he will get his money back fourfold. Suppose you try it!

A \$10,000 damage suit for slander, filed by Dr. A. Forman against a number of prominent citizens, is now on trial in the Oldham Circuit Court at Lagrange. LOST HIS TOES.

A Colored Man of This City Meets Misfortune at Huntington.

Yesterday morning Tom Warren, a colored man of this city, started home, and attempted to board a freight train on the C. and O.

In some manner one of his feet slipped under one of the wheels of the train, mashing off the front part of the foot.

He was brought to this city on C. and O. train No. 3 yesterday afternoon and removed to his home back of Mrs. George T. Wood's residence.

EPWORTH LEAGUE.

Covington District Convention Now in Session at M. E. Church.

The Epworth Leaguers of the Covington District are now in session at the M. E. Church in this city.

The meeting was inaugurated at 5:30 last evening by a "Reception;" and in lieu of the usual "Address of Welcome," with its pretty phrases and plentiful promises, the good ladies of the Church had prepared a bounteous luncheon, giving Delegates a "welcome" that was royal indeed.

The tables were arranged in the Sunday-school Room, and there were gathered, in addition to the visitors, a number of special guests, including the various Ministers of the city—and it was delightful to observe the fraternal feeling exhibited by the heads of the various congregations.

The Rev. F. W. Harrop, Pastor of the Church, acting as Host, announced that all formalities would be dispensed with, inviting the guests of the congregation to partake of the hospitalities without stint—an invitation that was accepted in full measure.

Following the luncheon religious services were held at 7:30 p. m., and the regular session of the League began at 9 o'clock this morning.

The program for this afternoon is as follows—

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boecher's German Syrup." It not only soothes and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Peacor.
