Everybody Reads the PUBLIC LEDGER For the Latest News.

Some of the hose bought by the city and "guaranteed" is as worthless as the guarantee.—Public Ledger.

The hose referred to was bought in 1896 and the guarantee expired in 1899.

J. C. MILLER, Agent for Stephen Ballard Rubber Co.—Bulletin.

It will be observed that THE LEDGER said not a word about the manufacturer of the hose or the agent who sold it to the city; but as Mr. Miller has seen fit to expose what THE LEDGER concealed, THE LEDGER will go further into the matter and do a little "exposin'" on its own hook.

The hose was bought by the city in 1896, and it was guaranteed for four years.

Mr. Miller himself admitted to THE LEDGER that the "four years clause" really meant "three years," inasmuch as the Ballard Company reckoned the entire calendar year in which the purchase was made!

In other words, if they had sold the hose December 31, 1896, guaranteeing it for one year, the guarantee would have ended the very next day, because the calendar year of 1896 had expired! So in regard to any other number of years.

If this isn't a "slick trick" THE LEDGER will be glad to have some one name it.

At all events, the city dads were evidently hoodoed by it; and it isn't according to the generally accepted idea of a four years guarantee.

Mrs. John T. Short is critically ill at her residence on East Third street.

H. Clay Current, a prominent Bourbon county farmer, died Saturday, aged 63.

Dr. J. Allen Dodson, who has been seriously ill for a week or so, is somewhat improved.

The regular monthly business meeting of the Epworth League of the M. E. Church, Third street, will be held tonight at 7:30 at the Church. Every officer and member is urged to be present.

The dread of people with weak lungs who suffer from stubborn coughs is consumption. Foley's Honey and Tar, if taken in time, cures the cold, heals and strengthens the lungs and always cures incipient consumption. J. Jas. Wood & Son and Armstrong & Co.

Some three weeks ago while dusting in his store at Minerva, Mr. Thomas S. Hawes placed an egg in a glass tumbler, and in replacing goods on the shelf the tumbler and egg became lost and forgotten. Last Sunday morning Tom and his mother heard the chirp of a chicken and after some time located the noise and found a chicken nearly out of the shell in the tumbler. This is no snake story as they have the chicken, which is well and hearty.

LONG TIME AGO!

Word From a Maysville Schoolboy of Sixty-Three Years Ago!

THE LEDGER is in receipt of this echo from a long past—

TUSCALOOSA, ALA., Aug. 7, 1900.

Mr. Editor: I left Maysville in 1837—sixty-three years ago.

I have always felt an interest in the old town, and have often wished to visit it.

I went to school to Rand and Richeson at the Maysville Seminary; have a vivid recollection of the Pointztes, Collinses, Coxes, Langhorns, Goddards, Januaries, Houstons, Mortons, &c.

Are any of the teachers or pupils of that school living? How happy I would be to hear from any one of them.

Will not some familiar name gladden an old man's heart by writing to—

W. C. RICHARDSON.

BOND'S SPECIFIC CURES ASTHMA AND HAY FEVER.

Proprietor Bond's Specific, Maysville, Ky.: After taking treatment from specialists in Buffalo, Chicago, New York and Cincinnati for asthma, with only temporary relief, I have been permanently relieved by your Specific. I congratulate you, sir, that you are proprietor of such a remedy, which is bound to establish a record for itself unsurpassed by any medicine on the market. Very sincerely yours,

THE RIVER NEWS.

The river is now so low at Pittsburgh that it cannot be registered.

Engineer Charles Watson, formerly of the Tacoma, is now on the towboat Gate City.

The Sunshine and Stanley have quit the Pomeroy trade on account of low water. The latter boat has entered one of the lower river trades.

Captain John Oyler, the Master of the ill-fated Dick Brown, is now located in Louisville, and is acting as a "runner in" for a steamboat line there.

The U. S. District Attorney at Pittsburgh is causing Engineers lots of trouble. He has filed a large batch of information against several, charging them with carrying excessive steam.

The directors of the Monongahela and Ohio River Transportation Company have decided to send the Francis J. Torrance on a special trip to New Orleans the middle of next November. The company has set no price as the cost of the trip, but it will not be over \$100, and will consume forty days' time. The trip going down will be made in two weeks, and stop-offs from one to three days will be made at Cincinnati, Louisville, Memphis and Vicksburg.

A recent rather close survey of the amount of coal afloat in the Pittsburgh harbor and the pools of the Monongahela river places the amount at 600 coal-boats and 300 barges. This is equivalent to nearly 19,000,000 bushels of coal. Every lump of it is owned by the Pittsburgh combine, whose cumbersome name is the Monongahela River Consolidated Coal and Coke Company. This concern has played in tough luck this season in regard to water. There have been five or six rises out of the Kanawhs, and only one from Pittsburgh that amounted to anything.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Bosch's German Syrup." It not only soothes and stimulates the tissues to destroy the germ disease, but always inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended every year by all druggists in the world. For sale by J. C. Peacor.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Peacor.

Long since demonstrated, not only to our satisfaction, but also to the satisfaction of the public, that only the highest character of merchandise satisfies our patrons. We venture to say that no clothing house in the state averages as high as ours in the quality of goods carried by them.

What we particularly desire to dwell on in this advertisement is our

SHOES

It is only a short time since that we added a Men's and Boys' Shoe Department to our business. When we did we looked only for the highest grades of Shoes that are produced. The result is more than satisfactory. Our purchases and sales of Fine Shoes have increased wonderfully. We are now receiving our fall stock. Whilst it is too early to sell them, we invite you to step in and see what we have for you when the time comes to wear them.

OUR STOCK OF SUMMER CLOTHING

Is greatly reduced. Many of you are perhaps still unprovided with Summer Clothing. We have made sweeping reductions on all light-weight goods. Take advantage of it and buy now.

THE HOME STORE.

HECHINGER & CO.

Hosiery AND Underwear

If mistakes occur—as sometimes will—give us a chance for correction. We will be satisfied with nothing less than your unbiased conviction, ours is the BEST hosiery and underwear store.

Here is news today of the very best values, for in spite of low prices the goods are of exceptionally high character:
