THE CENSUS IN BOWERSVILLE.

We're a'kickin' on the census count down here in Bowersville. The figures that they give out is a mighty bitter pill. They show that Pierce's Station has a 10 per cent. increase.

An' Jimtown—well they must 'a' numerated Jimtown's geese! But Bowersville! The census shows she hasn't grown at all. An' there's rage and wrath 'm Henry's store clear to the "City Hall."

We can't see now they figure it, for it has been our pride. That in the last ten years there's only been two men that died. One o' them was a peddler, who just rasped for breath and went. When Deacon Skinner didn't ask him to throw off a cent.

The other was a feller who fooled with some dynamite—Jest a button an' a freckle was the only things to light. But, gee-mun-nee! There's Higgins' twins, an' Fesler's girl an' boy, Besides the triplets that has come to Hezeki! McCoy.

An' other babies! Man alive! You can't walk anywheres 'Thout bumpin' into kerriages with youthful sons and heirs. It's jest a kid percession 'm the school-house to the mill—But it isn't in the census that they took o' Bowersville.

The census man—he needn't say he didn't see 'em all. He might be blind, but surely he could see 'em hear 'em bawl! An' that's why we're kickin' on the census man's report—We got a blame good notion fer to take the case to Court.

We think the census taker is in danger o' the law, Fer classin' Bowersville along with shrinkin' Omaha. —Baltimore American.

FLOW OF ORATORY.

Debating Club Challenge Civil Liberty Club of the Sixth.

The Sixth Ward Debating Club has challenged the Sixth Ward Civil Liberty Club for a debate at the Limestone Fire Hall Friday evening, October 19th. The subject that will be dissected is—Resolved, That the Republican Policy is a Menace to Independence and in Favor of Combined Capital Against Labor.

Messrs. M. C. Daily and William H. Meenach will represent the Debating Club, while Messrs. Verner and R. V. Dryden will support the Republicans.

ROOSEVELT!

HE WILL BE HERE NEXT MONDAY, AND SO WILL A LARGE CROWD.

The visit of Governor Roosevelt, Republican candidate for Vice-President, in this city next Monday afternoon, October 15th, will doubtless attract a big crowd.

The distinguished New Yorker will be accompanied by Hon. A. E. Willson of Louisville, both of whom will make short addresses.

If the weather is favorable the speaking will probably be at Sutton and Front, or if necessary the meeting will be held at the Opera-house.

It will be a great day for Republicans and the visitors should receive a royal welcome.

Hon. Augustus E. Willson will open the meeting at 2:30.

Blue Stone at Chenoweth's.

George Tonson, a lister-strawder, who has been suffering for some time with the rheumatism in his right shoulder, was able yesterday to be out.

THE LOST SHEPARD.

He Was Found in This City Last Night by Constable Dawson.

Jack Shepard, one of Maysville's "400 Jailbirds," was arrested and placed in Jail at Newport for stealing some rope and anything else he could get his hands on that wasn't nailed down.

One evening about supper time when Jailor Bilts went to place the dainty Jail menu before the hungry sticky-fingered Shepard he found that gentleman out—probably looking for the lost sheep.

Shepard strolled around the country for several weeks, finally landing in Maysville, his old home.

Last evening while discussing some future plans on the Tariff or Money question, Constable Dawson hove in sight, and Jack immediately proceeded to make himself scarce.

But the heavy Constable could make a fast run too, and he finally overhauled the Shepard and landed him in the Mellivaine sheepfold with the rest of the flock.

He will be taken back to Newport as soon as the authorities there direct.

The speaking will be at the foot of Sutton street and Governor Roosevelt will not be the first distinguished man to deliver a political speech there.

Some of those who have spoken on Sutton street where the next Vice-President will speak are Henry Clay, W. L. Vallandigham, General Scott, former Governor Metcalfe, General Grant, President John Quincy Adams, Hon. George H. Pendleton, the great Civil Service reformer, and Hon. W. H. Wadsworth.

Thus it will be seen that the best speakers and most talented men of this country have been guests of Maysville and Sutton street.

Mrs. John T. Parker is ill.

The managers of the "L" Park Hotel at Torrent report a house party which will be entertained there from the 15th of October until the first of November.

Miss Saddle Sprinkle, daughter of Mr. D. A. Sprinkle, formerly of this city, will be the hostess and a German Count, who has already sailed for this country, will be the guest of honor. A number of rooms have been engaged and gaieties planned for the pleasure of the party.

The Lexington Herald, speaking of the Anderson-Respass wedding, says: "The wedding of Miss Lottie Baldwin Respass and Mr. Richard T. Anderson, Jr., which will occur at 9 o'clock Wednesday evening, October 17th, at the Church of the Nativity, Maysville, will be one of the most beautiful weddings of the fall. Miss Bessie McCann of this city, cousin of the bride, will be maid of honor, and Mr. Gathright of Louisville, best man.

The ushers are Messrs. Baldwin Cartmell, Gordon Sulser, Courtney Respass of Maysville and Mr. John Marra of Louisville. The young couple will visit points of interest in the East.

Does It Pay to Buy Cheap? A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Peacor.

KNIGHTS TEMPLARS.

The Meeting at Louisville Expected to Benefit the State.

One hundred thousand dollars is to be spent in Louisville in entertaining those who attend the twenty-eighth Triennial Conclave of the Knights Templars of America to be held there August 27th, 28th, 29th, 30th, 1901.

Thirty-six committees are now actively at work making preparations for this meeting, which will bring to Kentucky the most magnificent body of men ever before assembled.

Indications point to at least 25,000 uniformed Templars coming, many of them accompanied by their wives or sisters.

Nearly all keep open house during Conclave week and as a sample of their expenditures may be cited the Golden Gate Commandery of San Francisco. It has rented an entire floor in one of the big hotels in Louisville and will receive daily from California during the Conclave a carload of wines and fruits.

One of the features of the coming Conclave will be the side trips into interior Kentucky by these big Commanderies. Many will charter special trains for sight-seeing runs. They will go to Central, Eastern, Western, Northern and Southern Kentucky, and as many have capital to invest it is by no means improbable that these trips will result in the sale of several big stock farms, and much timber and coal lands.

Quote Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Peacor.
