KILLING NEAR MT. GILEAD.

Gabe Smithers Shot This Morning by Son of Wm. Goodman.

An unfortunate tragedy is reported from near Mt. Gilead this morning, Gabe Smithers, an old resident of Wedonia, being shot and killed by Garr Goodman, son of William Goodman.

Mr. Smithers had been engaged to assist in hog killing at the Goodman place and left his home at an early hour to begin work.

Arriving there, not knowing the time and that the family was not yet up, he attempted to enter the house.

Young Goodman heard some one at the door, and asked who was there.

Receiving no answer he opened fire on Mr. Smithers, killing him.

The young man who did the shooting is only 14 years of age.

He, with a younger brother and his mother, were at the house alone during the night, and fearing a visit from burglars he had placed a shotgun within easy reach should any attempt be made to break into the house.

Not expecting Mr. Smithers so early he mistook the former, hence the killing.

GIVEN TWO YEARS.

F. E. Burden Threw Himself on the Mercy of a Jury.

F. E. Burden—who was indicted as Burton—was yesterday presented in Court charged with forgery.

It will be remembered that he passed a check for \$9 on John O'Keefe, drawn on the State National, payable to the order of F. E. Burton, and signed G. H. Heiser.

The next day the forgery was discovered, and Burden was arrested at Portsmouth and brought here and lodged in Jail.

Soon after, his faithful wife came from New Orleans and engaged boarding here, and every day, through sunshine and storm, the devoted woman has carried his meals to him and done all that was possible for his comfort, appearing in Court with him yesterday.

Burden was a soldier in the Spanish-American War, and holds an honorable discharge from the service at Matanzas, Cuba.

When the Jury had been empaneled he waived arraignment, entered a plea of guilty and threw himself upon the mercy of the Jury.

After a few minutes retirement the Jury returned with a verdict of guilty, fixing the punishment at two years in the Penitentiary—the lowest limit allowed by the law.

Mrs. T. Bridgeman, Marshallville, Mich., was troubled with salt rheum for thirteen years and had tried a number of doctors without relief. After three applications of Banner Salve her hands became better and in a short time were entirely cured. J. Jas. Wood & Son and Armstrong & Co.

At Vanceburg two little boys, Willie, six years old, son of Samuel Cole, and Freddie, seven, son of Ves Cooper, were playing on a steep hillside, a half mile South of the city. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O., Sold by Druggists, etc. Hall's Family Pills are the best.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a positive condition is easily cured by using Syrup of Figs.
