

Royal Baking Powder

Absolutely Pure

No inferior or impure ingredients are used in Royal for the purpose of cheapening its cost; only the most highly refined and healthful.

Royal Baking Powder imparts that peculiar sweetness, flavor and delicacy noticed in the finest cake, biscuit, rolls, etc., which expert pastry cooks declare is unobtainable by the use of any other leavening agent.

Alum is used in making cheap baking powders. If you want to know the effect of alum upon the tender linings of the stomach, touch a piece to your tongue. You can raise biscuit with alum baking powder, but at what a cost to health!

\$1,000 Worth of Good.
A. H. Thurness of Wills Creek Coal Co., Buffalo, O., writes: I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. Other medicines only gave relief. After taking Foley's Kidney Cure the result was surprising. A few doses started the brick dust, like fine stones, etc., and now I have no pain across my kidneys and I feel like a new man. Foley's Kidney Cure has done me \$1,000 worth of good. J. Jas. Wood & Son and Armstrong & Co.

An attractive woman thrives on good food and sunshine, with plenty of exercises in the open air. Her form glows with health and her face blooms with its beauty. When troubled with a costive habit, she takes a few doses of Herbine to cleanse her system of all impurities. Price, 50 cents. J. Jas. Wood & Son.

WHERE ALL ARE EQUAL.

Masterpiece of Word-Painting From a Most Fertile Mind.

John James Ingalls.
In the Democracy of the dead all men are at last equal. There is neither rank nor station in the republic of the grave. At this fatal threshold the philosopher ceases to be wise and the song of the poet is silent. David relinquishes his riches and Lazarus his rags. The poor man is as rich as the richest, and the rich as poor as the pauper. The creditor loses his usury and the debtor is acquitted of his obligation. There the proud man surrenders his dignity, the politician his honors, the invalid needs no physician and the laborer rests from his unrequited toil. Here at last is nature's final decree in equity. The wrongs of time are redressed, injustice is explained, the irony of fate is refuted, the unequal distribution of wealth, honor, capacity, pleasure and opportunity which makes life so cruel and inexplicable a tragedy ceases in the realms of death. The strongest there has no supremacy, and the weakest no defense. The mighty captain succumbs to the invincible adversary who disarms alike the victor and the vanquished.

For Pneumonia.
Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." J. Jas. Wood & Son and Armstrong & Co.
