tle New Orleans Molasses, Lewis

When buying Flour if you
buy always buy Perfect
Blended Coffee, of which
grades at 15, 20 and 25 cents
to the best 20, 25 and 30-cent goods sold
by others. I buy my coffees in large
quantities from the importers, have
them roasted and blended myself, and
know exactly what I sell; besides they
are always fresh. My aim has been to
deal fairly with the people—give them
the best goods obtainable at very low-
est prices possible. My large and
steadily increasing trade convinces me
that my efforts in this particular are
fully appreciated by the public. A
special invitation is extended to all to
visit my store and make it their head-
quarters when in our city. Specially
low prices always made to dealers.

Always buy the Plymouth Rock
Oysters, in cans and bulk. They are
always the best. Received fresh from
Baltimore every day.
