The Pleasure of Eating.
Persons suffering from indigestion, dyspepsia or other stomach trouble will find that Kodol Dyspepsia Cure digests what you eat and makes the stomach sweet. This remedy is a never failing cure for indigestion and dyspepsia and all complaints affecting the glands or membranes of the stomach or digestive tract. When you take Kodol Dyspepsia Cure everything you eat tastes good, and every bit of the nourishment that your food contains is assimilated and appropriated by the blood and tissues. Sold by J. Jas. Wood & Son.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many millions of bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by J. Jas. Wood & Son, Druggists.

The Goebel Monument Commission met yesterday to select a subcommittee to go to New York and inspect the clay model by the sculptor, Moretti, of William Goebel, which is to be a part of the Goebel Monument to be erected at Frankfort.

MANTELL.

Mr. Robert B. Mantell, the eminent romantic actor, will be seen at the Washington Opera-house Monday, September 14th. A gallant young Irishman, Maurice Desmond by name, is the hero of the new romantic play, The Light of Other Days. This play, by the way, is one of the big successes of the present season, although it possibly owes this fact as much to the striking personality of its star, Robert B. Mantell, as to the merits of the play itself. Seats on sale at Ray's Drugstore Saturday morning.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia and liver troubles that has not been cured; and we also mean their results, such as sour stomach, fermentation of food, habitual constipation, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 35c bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 35c size has just been introduced this year. CONSTIPATION

For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can use this in behalf of suffering humanity.
