

D. HECHINGER & CO
With the Advent of
Cooler Weather

You naturally begin to think about a fall suit, also a garment that is almost indispensable in our climate, viz., a Cravenette or Medium-weight Overcoat. The youngsters starting to school will want a new suit. We are better prepared than ever to meet your wants. Useless to speak of qualities. The "Best" is the only kind you buy of us. After qualities the next thing you are interested in is the price. Quoting prices in the papers affords little satisfaction to the intelligent buyer. You want to see the goods, "then the price." Our stock of

CLOTHING FOR MEN, BOYS and CHILDREN

Is so enormous that you would do yourself injustice did you not look us over before you buy your fall clothing. Our Hanan and Douglas fall and winter lines are ready for your inspection. They are doubtless the greatest lines of Shoes ever shown in Maysville. By the way, the bell will soon ring on your straw hat. Our entire line of Stetson's Fall Hats is in; many of them exclusive styles confined to us. Take a glance at them. To keep our tailors employed until the busy season begins we will make a limited number of Custom Suits during this month for \$25 Cash. Not a suit worth less than \$35; some of them sell at \$40. See the patterns in our East window. You know how we fit and make them.

DIED IN CHICAGO!

Venerable Maysville Citizen Passed Peacefully Away Yesterday.

The venerable Charles Phister died yesterday morning in Chicago at the home of his only son, Mr. Walter Bell Phister, aged about 84.

The sad news came in a telegram to his brother-in-law, Major M. C. Hutchins, which merely announced his peaceful death and that the remains would leave Chicago last night for this city.

Mr. Phister was a life-long resident of Maysville and in many respects his career was remarkable.

He was the last of the few stalwart Mason County Republicans who had the temerity to vote for John C. Fremont for the Presidency in 1856; he never used tobacco or liquor in any form; never wore glasses, and to the very last was able to read the finest print without artificial aid.

For many years he was actively engaged in business, but his later life was spent in comparative rest.

Surviving are his wife, who was Miss Margaret J. Hutchins, and an only son, Mr. Walter B. Phister, a prominent business man of Chicago, and a granddaughter, Miss Eva Bruce Lowry.

He was an earnest member of the M.E. Church and probably the oldest communicant in the city.

A short time before his death—a week ago—he wrote a letter to a kinsman setting forth his desires in regard to his funeral arrangements. He made selections of the Preachers and pallbearers, as well as the hour of the funeral.

The remains will be brought here today, and the funeral will take place at 2:30 tomorrow afternoon from the Third street M. E. Church. The interment will be in Maysville Cemetery.

The Boys of This Period

Are "strenuous" little rascals. They do wear out shoe leather to "beat the band." Little girls, too, are pretty hard on footwear. It costs the average parent lots of money every year for children's shoes. Some of it may be saved by

Buying the Youngsters' Shoes at Barkley's.

We are exclusive dealers for several excellent lines that are guaranteed to stand a lot of hard wear. Quality considered, prices are very moderate. Ask to be shown

"Good for Bad Boys!"

Cartmell extracts teeth without pain.

In Louisville last year, 1,717 new buildings were erected, at a cost of \$1,918,872.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

Saturday's Commercial Tribune contained the "phis" of handsome Sam McDonald in a group of Cincinnati traveling salesmen, whose day it was at the Fall Festival.

D. HUNT & SON.

Yesterday morning between 2 o'clock and daylight an unknown man broke loose on East Third street, between Limestone and Plum, and woke everybody but the police. He was engaged in "singing" a mixture of ragtime and "goin' through the rye" in variations, and only stopped from exhaustion. The residents of that neighborhood are lovers of music, but they draw the line at that kind that early in the morning.

Distress After Eating Cured.

Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. Now my sleep is refreshing and digestion perfect." Sold by J. Jas. Wood & Son.

MANTELL.

The light of the afternoon sun shining on castle walls, the sea beyond, with a radiant arch of sky; a scene where is enacted one of the most fiendish crimes in the history of the French Revolution of 1793; later a barren beach with pine-clad bluffs rising abruptly from the sea and over all the silver radiance of the moon, with the tragedy of a young life swept out, and the oath of vengeance by the lonely soul left desolate to his fate,—such are the opening scenes of Robert B. Mantell's new play, "The Light of Other Days," to be presented at the Washington Opera-house tonight. Secure seats now at Ray's Drugstore.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.
