Vaughn were wounded in a battle with an alleged incendiary and his brother at Louisa. Mrs. Dr. A. E. Thompson of Newport, daughter of Rev. J. W. Mitchell, submitted to an operation at the Presbyterian Hospital in Cincinnati Sunday. The attending physicians gave but little hope of her recovery. Dr. Mitchell, was years ago Pastor of the M. E. Church, South, this city. Last night's Times-Star says: Judge Garrett S. Wall, one of the Kentucky Commissioners to the World's Fair, is a guest at the Grand Hotel. He speaks in glowing terms of the prospects for the Fair, and says that it will be the greatest one that the world has ever seen. Like everyone else who has come in contact with him, Judge Wall is a great admirer of Governor Francis, and thinks that he would make a splendid candidate for the Vice-Presidency. The Ohio and Kentucky Buildings at the Fair have not, as yet, been completed, but they will be in readiness in good time for the opening.

In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. BRAIN LEAKS. LUXURY—Indulgence, or gratification of taste or sense without benefit other than that of possession. NECESSITY—Indispensable; requisite to contentment; an object necessary to well-being. INVESTMENT—The purchase of an article from which an income is derived. PLEASURE—Gratification; enjoyment. TO WHICH CLASS DO PIANOS BELONG! Most certainly not to the first class, for there is much benefit in a piano other than that of mere possession. THEREFORE, PIANOS ARE NOT A LUXURY. At first glance it would not seem that they belonged to the second class, either, yet a piano is "A REQUISITE TO CONTENTMENT." A piano is also "AN OBJECT NECESSARY TO WELL-BEING." Yes, on second thought we believe that Webster would say that a piano was a necessity, especially to a well-ordered household. PIANOS ARE SURELY A GOOD INVESTMENT. The child derives a minimal education that provides a sure, steady income, no matter what adversity overtakes it. PIANOS ARE CERTAINLY A PLEASURE. A piano affords untold enjoyment, and the gratification of knowing that you have secured your loved ones against adversity is certainly worth some effort. The NECESSITY of providing for adverse circumstances demands the PLEASURE of an INVESTMENT in a piano. See our samples at John I. Winter & Co.'s Store, Maysville, Ky. See our Sheet Music. It will contain some valuable matter in addition to these lists of property. Remember, it costs you nothing unless sale is made. The publication will be ready to distribute about May 15th, but I must have your contract as soon as possible in order to list your property. Do not delay. JOHN DULEY, Real Estate. Wakeful Children. For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

The annual report of the Pennsylvania Railroad Company for 1903 shows gross earnings of \$122,626,419. As the result of a brick wall collapsing in Cincinnati, one child was killed instantly and five others were seriously injured.
