The Court of Appeals has ruled that, under decisions of the United States Supreme Court, National Banks doing business in Kentucky are entitled to have deducted from their capital stock the amount of United States securities they hold, as being nontaxable, in arriving at the value of their stock for the purposes of taxation.

Representative McKnight had the laugh turned on him in the House at Frankfort Wednesday. He had recently had his head shaved and one of his fellow Representatives moved that the House appropriate sufficient money to have the Mason county member's hair cut. The motion was referred to the Committee on Geological Survey.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville, who so testified years ago, now say their troubles were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

A. W. McClanahan, of A. W. & B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can indorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney troubles for nearly five years. As proof that I am firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. Jas. Wood & Son's Drugstore."

For sale by all dealers. Price 50 cents a box. Foster-McClellan Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitutes.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup." The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

OLD VIRGINIA CHERROOTS

Package of 3 for 5c.

(A cheroot is a cigar made without the head)

You know them—everybody does. You see them everywhere, and a million of them are smoked every day.

But do you know how good they are?

Don't be prejudiced just because you may be in the habit of paying 5 cents for one cigar. Three Old Virginia Cheroots are passed to you across the counter for 5 cents only because you don't have to pay for the work of forming the useless head—the little tip on the end of the cigar, which you have to bite off before you can light up.

Short leaves and clippings of selected domestic tobacco blended in the fragrant filler—and made up in the biggest, cleanest cigar-factory in the world.
