MAYSVILLE, KY., WEDNESDAY, FEBRUARY 20, 1907

HIWATHA UP TO DATE.

Hiwatha, in his plug hat, Whispered low to Minnehaha; Put his graceful arm around her, Held her fingers tight in his'n; Just about to woo her wildly With the chorus of a coon-song, When there came the U. S. Agent; Made a gesture at his wrist-band, Said, "You'll kindly please to move on. People who have failed at farming Now would like to try it over. You are sitting on the town site; Skiddoo, please, and three and twenty."

Mr. Charles Parry of Front street is in very feeble health.

Five mounted policemen have been added to the Lexington force.

Master William Smith, Jr., of West Fourth street has the measles.

Mrs. Ella Calhoun of Market street is convalescing from a two weeks illness with grip.

The Paving Committee expect to begin work on the brick streets some time in April, when business of all kinds will open up in earnest. There will be plenty of work going on this summer in Maysville and the extra amount of money put in circulation will make things lively and trade good.

Dr. R. B. Garratt, formerly of this city, is Chairman of the Jamestown Baptist Exhibit Committee, which appeals to the general brotherhood to aid them in erecting a \$10,000 Baptist Building, which, after serving the purpose of a place of meeting and make the Baptist exhibit, will be kept for a Memorial Baptist Church. The building is to be planned with that end in view.

The Tobacco Warehouse Company having rented the large building in Bank street, formerly occupied by the Green River Tobacco Company, is now ready to receive and store tobacco. The present quarters are amply large to meet the requirements of all tenants who expect to change their location this spring and are compelled to move their crops.

Where it is possible to do so it is best to leave the tobacco remain in the barn, rather than bring it to the warehouse, as there is at least a difference of from \$1 to \$1.50 in winter and summer condition.

However, the Warehouse Company will provide for all who wish to store their crop, as other buildings will be secured for the purpose.

Yesterday afternoon the County Clerk's office was the scene of two weddings only five minutes apart. The brides were cousins and it was intended that the affair should have been a double wedding. Miller, aged 27, and Miss Minnie Farrow, aged 18, who were joined in holy bonds of wedlock by Rev. Felix K. Struve.

Immediately following came Mr. Thomas A. Bramel, aged 26, and Miss Achsa E. Ross, aged 21, who were soon happily wedded, 'Squire J. O. Pickrell officiating.

Mr. and Mrs. Miller left for Flemingsburg to spend their honeymoon with the groom's parents. Mr. and Mrs. Bramel extended their bridal trip to Cincinnati.
