NATURE SPARES

The Stricken Rose From Grief.
What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

SOME NEW ARRIVALS!

This weather is rather suggestive, suggesting that it is time to don lighter apparel. To augment the present stock and fill some of the gaps which necessarily occur in our shop, we are in receipt of some extreme novelties in Men's and Young Men's Toggery. If ready for your spring outfit, come in; we can interest you. Our Boys' and Juvenile Wear is the snappiest ever shown in Maysville. Some nifty creations have been added in the Hat Department. For Furnishings and Neckwear you will find ours by far the largest and most exclusive assortment from which to make your choice.

Shoes for Men and Boys.

We haven't hardly time to say much about our Shoes, but then they are the kind that plead their own cause, "The Right Kind"—the Hanan, Nettleton, Walkover and Douglas. Remember the miniature Horse and get tickets with your purchases.
