

Men Are as Helpless as Children When Taken Suddenly Ill—Here is a Common-Sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill. The sturdiest chap in town usually loses his self-control, and is utterly unable to regard his condition with the common sense that characterizes his every day actions.

For example: He comes home tired, eats a heavy dinner, and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion brought on by overloading his tired stomach.

A couple of Dyspepsia Tablets would have given him instant relief—would have saved hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket, or keep them in your room. Take one after each heavy meal and indigestion will not bother you.

Rexall Dyspepsia Tablets remedy stomach troubles by supplying the one element, the absence of which in the gastric juices causes indigestion and dyspepsia. They aid the stomach to digest food and to quickly convert it into rich red blood and material necessary for overcoming natural body waste.

I know what Rexall Dyspepsia Tablets are and what they will do. I guarantee them to relieve indigestion and dyspepsia. If they fail I will refund your money. Three sizes: 25 cents, 50 cents and \$1. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

DISEASE ORIGINATES IN THE BLOOD

Pure blood is a safe-guard against disease. Keep your blood rich in iron, and its essential elements, and the body will be healthy, strong and well. The best way to administer iron is by taking VINOL, which is a combination of the medicinal elements of Cod Liver Oil and Tonic Iron; it makes red blood corpuscles and thus creates strength quicker than any other method.

MARRIAGES

BERRYMAN—HUGHES.

At the home of Mr. George Hughes of the county yesterday afternoon his daughter, Miss Elizabeth, was married to Mr. C. W. Berryman, by Rev. Roger L. Clark of this city. It was a sweet wedding of simplicity, and yet had that dignity of character that gives to Kentucky its right to claim its women as true worth and men of nobility. The bride looked and her spirit gave expression of being wedded by love, while the groom had the air of one who felt the responsibility and was glad to assume it. Many friends gathered and brought offering of love and affection, and wished them well. Miss Irene, sister of the bride, played the wedding march as they descended the stairway to the parlor, which was beautiful.

The furnishings for the Governor's reception room in the new Capitol at Frankfort will cost \$15,000. For Sprains

Sloan's Liniment is the best remedy for sprains and bruises. It quiets the pain at once, and can be applied to the tenderest part without hurting because it doesn't need to be rubbed—all you have to do is to lay it on lightly. It is a powerful preparation and penetrates instantly—relieves any inflammation and congestion, and reduces the swelling.

Here's the Proof.
Mr. L. ROLAND, Bishop of Scranton, Pa., says:—"On the 7th of this present month, as I was leaving the building at noon for lunch, I slipped and fell, spraining my wrist. I returned in the afternoon, and at four o'clock I could not hold a pencil in my hand. I returned home later and purchased a bottle of Sloan's Liniment. It quieted the pain at once, and I was able to go to work and use my hand as usual."

Sloan's Liniment

and used it five or six times before I went to bed, and the next day I was able to go to work and use my hand as usual."

Sloan's Liniment is an excellent anti-septic and germ killer—heals cuts, burns, wounds and contusions, and will draw the poison from sting of poisonous insects.
