**For Catarrh**  
Medicine Free in Every Case Where It Fails to Relieve

Neglect or pessimism, I believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, I believe, for many cases of consumption. It is about catarrh I want to talk to you today, incidentally consumption, since the two are so closely allied.

I have a medicine made from a prescription of one of the most successful catarrh specialists known. I believe it is positively without an equal. I am so satisfied that I am right, that I will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. I want every one to try this medicine at my risk. There are no conditions attached to my offer. I put the user under no obligation to me whatever.

The medicine I want you to try is **Rexall Muc-Tone**. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, **Rexall Muc-Tone** is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that I have ever had anything to do with.

I know so much of the great good that it has done that I personally back it up with my reputation and money, which fact should be ample guarantee to satisfy anybody. **Rexall Muc-Tone** comes in two sizes, 50 cents and \$1. I urge you to try it. Remember you can obtain **Rexall Remedies** in Maysville only at my store—**The Rexall Store**. **Thos. J. Chano-weth.**

Evangelist J. B. Harris has just closed a very successful revival for the M. E. Church at Ewing, Ky., where they are now attempting to build a nice Church and will break ground soon, says Rev. W. H. Davenport Pastor of Sedden's M. E. Church of this city, who assisted Rev. Harris in the meeting.

Mrs. Eliza Ann McClanahan, one of, if not the oldest native, born citizen, is an interesting personage and a most delightful conversationalist. She was a daughter of Dr. Thomas O. Williams and was born in a dwelling on the South side of Second street between Market and Limestone, May 15th, 1821, consequently she is nearing her 89th birthday anniversary. With a bright mind and retentive memory, she details incidents pertaining to the early history of Maysville, its growth and people, in a most charming and instructive manner. Although an octogenarian, she bears the weight of her well spent years as one twenty years her junior, and with the exception of failing eyesight, caused by much reading, her health is generally good. Her many friends should keep in mind her coming birthday anniversary and make it a happy and memorable one, an oasis, as it were, in her declining years.

HELLENSTONE—COURTESY.

Mr. Jesse Hellenstone, aged 22, and Miss Laura Courtney, aged 22, both of Ewing, arrived here yesterday morning, and after securing marriage license from County Clerk Dickson wended their way to the M. E. Parsonage, where they were joined in holy wedlock. Rev. F. W. Harrop officiating.

MRS. MARY W. SKINNER.

Mrs. Mary W. Skinner, wife of Mr. Richard M. Skinner, died last night at 10 o'clock at her home in East Second street, after a several days' illness with indigestion, aged 72.

The deceased was a daughter of the late Mr. and Mrs. Madison Ball, and a sister of W. W. Ball of The First National Bank. She was born in Lewis county, near Richland meeting house, in August, 1838. She was a devout member of the First M. E. Church, South, and in every relation of life an excellent Christian woman.

Besides her husband she leaves two children, Dr. R. M. Skinner of Flemingsburg and Mrs. Kate Cook, residing with her parents. The funeral will take place from the house in East Second street tomorrow morning at 10 o'clock, with services by Rev. B. F. Chatham. Interment in the Maysville Cemetery.

**BOAT'S MISHAP**

The Tacoma Damaged While Trying to Land at Aberdeen

This morning between 5 and 6 o'clock, during the heavy fog on the river, the steamer Tacoma, in endeavoring to make a landing at the Aberdeen grade, met with quite a serious accident. The Pilot lost his bearing and in maneuvering the boat to find his position, backed square onto the bank, near fishing gut, where she listed and stuck fast.

After the fog lifted, the ferryboat Laurance went to the rescue and pulled her off the bank. She has a damaged wheel, broken rudder, and just how serious she is further injured the officers of the boat were investigating when THE LEDGER went to press.

At one time she was listed so badly that it looked from this side that she would turn turtle and disappear in the big water.

"Chief," a large and intelligent dog, the property of Captain C. M. Phister, fell off the head of the wharfbot and was drowned yesterday morning. The dog was sucked underneath the boat by the swift current, as he was never seen after his body struck the water. "Chief" was named after Captain Harry A. Ort, and was a general favorite with all who had occasion to visit the wharfbot.

**ROOT JUICE IS DOING IT**

Scores of Local People Praising It

These last days of the Root Juice demonstrations at J. Jas. Wood & Son's Drugstore, it is hard to get the great medicine in fast enough to supply the demand. The scientist said: "While many people of Maysville are surprised at the sales at this point it is not surprising to me, as at Fort Wayne, Lima, Newark and many other points, the demand for the Juice is so great that the people at the laboratory at Fort Wayne are often behind with orders as much as two weeks." Those who are interested in the remedy should go to the drugstore and listen to the reports of the dozens of people that are calling daily. Among the many to testify to the great good Root Juice is doing here in Maysville was a well-known business man who said: "My wife has been a long sufferer from catarrh of the stomach, bowels and bladder; her kidneys were so badly deranged, she suffered a great deal with pains in the small of her back and stomach and bowels, her tongue was badly coated and she always had a bad taste in her mouth; she was very nervous, sleep did not refresh her. In fact, she had so many pains and they were frequently so severe that she couldn't tell what part of the body pained the most. She has treated with doctors for months at a time and took many kinds of medicines, but was growing worse all the time. Of late our neighbors have been talking so much about Root Juice and telling of the wonderful things it is doing that she decided to try it. She has been using it but a short while, but is almost entirely free from pain and is gaining in strength very rapidly; I don't believe she would have lived three months if it hadn't been for Root Juice." Those who have not visited J. Jas. Wood & Son's Drugstore during the past three weeks can have no idea of the number of people that have expressed themselves as wonderfully benefited after taking the Juice a short while. Many have called to report a complete cure, and many others have said: "I am fast recovering health under the Juice treatment. The great remedy is so soothing, healing and strengthening to the stomach, liver, kidneys and bowels, that it seems to cause every one that takes it to feel better in a very few days. We are told that the demonstration will close next Saturday night and until then the Juice is sold for \$1 a bottle or three for \$2.50.
