Next Wednesday Night at the Third Street M. E. Church

One week from last evening, Wednesday, February 15th, will occur the big Men's Meeting at the Third Street M. E. Church.

One hundred invitations will be sent out and every man in any way connected with this Church is requested to set aside anything that will hinder their attendance at this rally. Begin planning now. It will be to your interest to do so. Several local speakers will give short talks and Colonel John A. Johnson of Covington, President of the Laymen's Association of the Kentucky Conference, M. E. Church, will be present and deliver an address. Colonel Johnson is a prominent business man, as well as a leading Church worker, being connected with the Union M. E. Church, of which Rev. G. W. Buntton, formerly Pastor of the Third Street M. E. Church, is now Pastor. He is actively engaged with the Laymen in bringing about better conditions in the Churches of Kentucky. No one interested in the welfare of the Methodist Church should miss becoming acquainted with and hearing him.

It will be a Men's Meeting throughout, even to the serving of refreshments, several men having volunteered to make the coffee and do the kitchen work. Let every one invited come.

Abingdon, Va.—Mrs. Jennie McCall of this place says: "I had been troubled with female complaints for over ten years. I could not walk or stand on my feet and had been almost confined to the house for a long time. I began to take Cardui, the woman's tonic, and now I can walk anywhere I want to go. Cardui is worth its weight in gold." This is a high estimate on a plain, herb medicine, yet there are thousands of women who would gladly pay this price for a remedy to relieve their suffering.
