THE DAILY EVENING BULLETIN.

Our little run-around,  
Everywhere now scoots about  
And covers all the ground.  
While bearing business messages,  
Remember this, we pray,  
It doesn't go just once a week,  
But drops in every day.

EARLY gardeners are doing their work over.

SOME four or five weddings are to take place at Augusta soon.

THE City of Ironton will not lay up for repairs as announced, but will continue in her present trade.

MR. W. W. BALL is adding a handsome veranda to his residence in East Maysville, and otherwise improving it.

THE universal verdict is that Langdon's City Butter Cracker is the best. To be convinced try it. It is sold by all grocers.

THE Maysville Knitting Company is turning out about one thousand dozen stockings a month. These goods meet with favor and the demand for them is increasing.

THE animal that has caused so much excitement in Maysville lately was seen on the hillside in the lower part of the town last night. A dog that attacked it had a large piece taken out of its flank, and went howling away.

MESSERS. J. C. PECOR & Co., are the agents in this city for Buist's celebrated garden seeds, and have lately received a fresh supply. They have no old seeds on hand, and guarantee all they sell this season to be of the present year's purchase. These seeds are adapted to this climate and by long use have been found to be very desirable. Call and get a catalogue.

A STREET sweeping machine could be profitably used in Maysville, as they are elsewhere. With one of them a man and a horse can readily do the work formerly performed by twenty-five men at least. The sweeping could be done at less than one half of what it now costs to scrape the streets. The idea is worth considering.

MR. HENRY SMITH has just closed a contract for the erection of a two story brick dwelling near the corner of Second and Wall streets. The attention of the "Smith Family" who are soon to visit Maysville, is called to the fact that Henry Smith is the owner of this building, and that Sam Smith will do the carpenter work and Bonapart Smith the masonry.

MR. RICHARD REID, of Mt. Sterling, is announced elsewhere as a candidate for the Superior Court Judgeship in this district, subject to the will of the Democratic party. He is an able lawyer and a cultured gentleman who would worthily fill the place he seeks. He will go into the convention with a solid following and will have the warm support of many Democrats in this county.
