IN **RESEARCHES** upon the petroleum of the Caucasus, M. Schutzenberger has observed that, although conducted with the utmost care, his analysis frequently showed more than 100 per cent. of matter. A like result was obtained with two other substances. Following up the investigation, he has found that sodium and copper appear to so effect certain products as to produce the anomaly observed; while if the articles so affected are exposed for a short time to sunlight they give a normal analysis. It is suggested, as a possible explanation, that the weight of atoms may vary within certain narrow limits, and that in the case of the hydrocarbon it may be modified by the action of sodium or by light. If confirmed, M. Schutzenberger's discovery will have an important bearing upon the fundamental principles of chemical science.

Kendall's Spavin Cure.

The Most Successful Remedy ever discovered, as it is certain it effects and does not blister. READ PROOF BELOW.

From Rev. P. N. GRANGER.

Presiding Elder of the St. Albans District. ST. ALBANS, VT., Jan., 20, 1880. DR. B. J. KENDALL & Co., Gents:—In reply to your letter I will say that my experience with 'Kendall's Spavin Cure' has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it, cured a horse of lameness caused by a spavin. Last season my horse became very lame and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ring-bone was forming, I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that he is not lame, neither can the bunch be found. Respectfully yours, P. N. GRANGER.

Perseverance Will Tell.

STROUGHTON, MASS., March 16, 1880. B. J. KENDALL & Co., Gents:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with 'Kendall's Spavin Cure,' one very large one, don't know how long the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but if it does for all what it has done for me its will be very great. Respectfully yours, CHAS. E. PARKER. KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach a every deep seated pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects. Send address for illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man. Price \$1. per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you or it will be sent to any address on receipt of price by the proprietors. DR. B. J. KENDALL & CO. Enosburgh Falls, Vermont. 127d.
