

TRIAL OF HAINS ON IN EARNEST

Jury Secured in Remarkably Short Time.

STATE PRESENTS CASE

Prisoner Expresses Himself as Satisfied With Qualifications of Men Who Are to Decide His Fate—Miniature Reproduction of Bayside Yacht Club and Iron Manikins Will Be Used to Portray Scenes of the Annis Murder.

New York, Dec. 16.—A jury of 12 men has been selected to try Thornton J. Hains, a story writer, as a principal in the killing of William E. Annis, a publisher, who was shot to death by Captain Peter C. Hains at the Bayside Yacht club last summer.

One hundred and seventeen talesmen were examined before the jury box was filled. Thornton Hains expressed himself as pleased with the makeup of the men who would pass upon the evidence in the case.

Hains said: "They are all good men and qualified to pass carefully upon the facts presented. They are men of my choice and I feel that the jury will acquit me when the evidence is put in."

The expedition with which the jury was chosen, taking only four sessions of court, is considered unusual in view of the widespread knowledge of the case in Queens county. Justice Crane obviated much delay by eliminating unnecessary questions and directing that all interrogations of talesmen be brief.

The prosecution is being presented today by District Attorney Darrin, and it is expected that the examination of witnesses by both sides will consume at least two or three days.

A feature of the trial will be a tank of water and a model float and catboat in miniature replica of the scene of the shooting, which will be placed on a table in front of the stand.

Iron manikins representing the principals in the affair will be moved about in this miniature theater to illustrate actions and positions taken in the tragedy by Hains and the witnesses.

The jury, members of which will be permitted to return to their homes at the conclusion of each day's trial, is made up as follows: William Hill, foreman, Long Island City; Thomas Walsh, builder, Long Island City; Henry Hecker, shipping clerk, Woodside; Samuel W. Johnson, supply dealer, Richmond Hill; John Benham, stableman, Ridgewood; Frederick Lee Richmond, cashier, Far Rockaway; Alexander Jardin, plumber, Long Island City; Hugh McCullagh, milk dealer, Laurel Hill; Louis New, carpenter, Jamaica; William McLean, stage mechanic, Corona; Patrick Ahearn, retired farmer, Jamaica; Henry Boenig, foreman, Corona.

HARTJE CASE REVIVED

Wife Asserts Husband Is Not Paying Alimony as Stipulated.

Pittsburg, Pa., Dec. 16.—August Hartje, the millionaire, and his wife, Mrs. Mary Scott Hartje, principals in sensational divorce litigation the past three years, made public more of their differences when arguments were heard in proceedings brought by Mrs. Hartje to have her husband adjudged in contempt and imprisoned for alleged failure to pay her \$416.66 a month alimony.

Hartje practically admits default of payment and asserts that his wife is not obeying the orders of the court involving the custody of the two children, and that he has defaulted for the purpose of bringing all the questions before the court. He charges that his wife influences the children to avoid visiting him and that she is not giving them the proper care and attention.

DOG SHOW OPENS

Canines and Felines Well Represented at Chicago Today.

Chicago, Dec. 16.—For three days, beginning today, the Coliseum Annex is to be filled with fine specimens of cats and dogs, the exhibits in the annual cat and dog show.

The show is given jointly by the Beresford Cat club, the Western Boston Terrier club and the American Toy Dog club. The number of exhibits is greater than ever before, and the show is the finest ever given in Chicago.

Lancaster Gets Park Site.

Lancaster, O., Dec. 16.—This city received a fine Christmas present when George Rising formally gave the city council the Mt. Pleasant site, containing 75 acres. The elder Rising, who is president of the Fairfield National bank, bought the site of the Buschemeyer heirs for \$16,000. It will be made into a park, to be named in honor of the donor, to whom a bronze tablet will be erected.

Gets Life Sentence.

Marletta, O., Dec. 16.—Ed Brock, murderer of Earl Wadeker, was sentenced to life imprisonment in the Ohio penitentiary.

DEMOCRATS DISAPPOINTED

Harmon Visits Capital Without Seeing Officeholders.

Columbus, O., Dec. 16.—Governor-elect and Mrs. Harmon returned home without announcing the house they had picked for their residence here. Although it had been announced that the governor-elect would see political friends at Democratic state headquarters, he did not go there until 20 minutes before time for his train to leave. He met a throng of Democrats, shook hands and left for the Union station without making any promises or conferring with officeholders, so far as known. He had a conference with Colonel C. C. Weybrecht, who is to be his adjutant general. Mr. Harmon is expected to return to Columbus Saturday to attend a banquet of Troop B, Ohio National Guard. Among those here to see him, most of whom were disappointed, were John O'Dwyer of Toledo, Judge Douglas of Mansfield, Mayor Wallace D. Yaple of Chillicothe, Benjamin McKinney of Marletta, former state chairman; Former Mayor W. R. Burnett of Springfield and E. W. Hanley of Dayton.

Senatorial Candidates Are Due.

Columbus, O., Dec. 16.—Within the next week it is expected that the three leading candidates for United States senator will come to Columbus. Congressman Burton is due today. Senator Foraker will come Friday or Saturday. Charles P. Taft is now in New York to attend the Ohio society dinner, but may come to Columbus on his return from the east.

HOUSE INSURGENTS LOSE FIRST ROUND

Gardner's Resolution For Revision Falls of Adoption.

Washington, Dec. 16.—The hopes of the so-called insurgents in the house of representatives for a revision of the rules of that body were dissipated, for the time being at least, when Mr. Gardner of Massachusetts failed to obtain the adoption of an amended resolution calling for the appointment of a committee of eight members to consider the subject and report the changes they deem necessary. By a substantial majority the house voted to take away from the committee on foreign affairs consideration of the resolution, which in its original form simply called for information from the secretary of state regarding what the British house of commons had done in that regard. A ruling by the speaker that the amendment of Mr. Gardner changed the character of the resolution in such a way as to not make it privileged was sustained, and the resolution then was laid on the table.

After passing some bills relating to the District of Columbia, the remainder of the day was taken up with the bill to revise the penal laws of the United States, which was considered at length during the last session.

SENATORS LAUGH

President's Message Arouses Mirth in Upper House.

Washington, Dec. 16.—The president's Panama canal message was read in the senate, and its reading was received with loud laughter by some of the senators.

Senator Foraker endeavored to have the senate adopt a resolution calling on the secretary of war for detailed information concerning the men employed, instructions given and expenses incurred in the investigation by detectives into the Brownsville affair, referred to by the president in his message. Senator Warren objected to the immediate consideration of the resolution, and it will come up for consideration later. The postal savings bank bill was the subject of speeches by Senators Carter and Dewey, both of whom advocated the measure. The bill was made the unfinished business of the senate, displacing the joint resolution for the repeal of the commodity clause of the interstate commerce law.

TAFT TO ADDRESS OHIOANS

Will Deliver Address at Tonight's Banquet in New York.

New York, Dec. 16.—The men who hall from Mr. Taft's home state and are now residents of New York, together with a crowd of visiting Buckeyes, will turn out in great numbers tonight to attend the annual dinner of the Ohio Society of New York and hear the president-elect deliver an address. His topic will, it is believed, be of interest to the country at large.

Governor Hughes and Mayor McClellan have accepted invitations to attend the dinner. More than 600 covers will be laid.

Railroads Fill State Coffers.

Lansing, Mich., Dec. 16.—The Michigan Central, Chicago & Northwestern and Pere Marquette railroads have come to the relief of the empty state treasury, and although railroad taxes will not be due until April, have deposited in the hands of State Attorney General Bird \$750,000.

Emma Goldman Arrested.

Bellingham, Wash., Dec. 16.—Emma Goldman and Dr. Ben Reitman were arrested here to prevent their holding an anarchist gathering.

OFFICIAL VOTE IS MADE PUBLIC

Three Parties Cast More Ballots Than in 1904.

BRYAN'S GAINS LARGEST

Receives 1,315,211 More Votes Than Parker, While Taft Went Roosevelt 14,190 Better—Debs Gains 45,360 Supporters in Four Years—Populists Show Largest Decrease—Six States Did Not Give Hisgen Single Vote—Prohibitionists Lose.

New York, Dec. 16.—The total popular vote of the various presidential candidates at the last national election was made known in an official form by the filing of the last of the official votes that of Michigan. The totals show the following votes cast: Taft (Rep.), 7,637,676; Bryan (Dem.), 6,393,182; Debs (Socialist), 447,651; Chafin (Pro.), 241,252; Hisgen (Ind.), 83,186; Watson (Pop.), 33,871; Gilhaus (Socialist Labor), 15,421. Total for all candidates, 14,852,239.

This grand total exceeds by 1,341,531 the total number of votes cast in the presidential election of 1904, when the grand total was 13,510,708.

Compared with that election, the candidates of the Republican, Democratic and Socialist parties increased their votes this year. The reverse is true of the candidates of the Prohibitionist, Populist and Socialist Labor parties. The Independence party did not figure in the presidential election of four years ago.

The biggest difference in a party vote is shown in an increase for Bryan of 1,315,211 over the total vote cast in 1904 for Alton B. Parker, the Democratic candidate. Taft received 14,190 votes more than were polled for President Roosevelt in 1904, and Debs ran 45,368 ahead of his predecessor on the Socialist ticket.

The heaviest loss is shown by the Populists, who with the same candidate registered 83,312 votes less this year than in 1904, when their total vote was 117,135. The Prohibitionist candidate, Chafin, ran 17,284 votes behind the 1904 mark of his party, and Gilhaus, the Socialist Labor candidate, received only about 50 per cent of the vote given to Corrigan, which was 31,249, in the previous presidential year.

New York (870,070), Pennsylvania (745,779) and Illinois (629,932) gave Taft the greatest number of votes among the states, while as to Bryan the order was New York (667,468), Ohio (502,721) and Illinois (450,810).

The votes cast for Taft and Bryan were almost identical in number in two states, namely, Maryland and Nevada. In the first mentioned Taft received 111,253 and Bryan 111,117, and in the other 10,210 and 10,665 respectively.

Debs received his largest vote in Pennsylvania (39,918), Illinois (39,711) and New York (38,451). Vermont was the only state in which not a single vote was cast for the Socialist candidate. Delaware gave him only 75 votes.

Hisgen's vote in New York (35,817) and in his own state of Massachusetts (19,237), together formed nearly two-thirds of all the votes he received in the whole country. In six states not a vote was cast for him. Nine states, registered not a single vote for the Prohibitionist candidate. The Socialist Labor candidate received votes in only 13 states, and in only 19 states were votes cast for Watson of the Populist party.

WORLD MAKES REPLY

Says President Roosevelt Can Not Muzzle Its Utterances.

New York, Dec. 16.—The World, in the course of its answer to President Roosevelt's references to that paper in his special message to congress, says: "Mr. Roosevelt is mistaken. He can not muzzle the World. While no amount of billingsgate on his part can alter our determination to treat him with judicial impartiality and scrupulous fairness, we repeat what we have already said, that the congress of the United States should make a thorough investigation of the whole Panama transaction, that the full truth may be known to the American people."

COMMITTEE IS FIRM

Has Not Relented Towards President Roosevelt.

Washington, Dec. 16.—That the select committee of the house appointed to recommend action by the house in regard to the remarks of the president in his annual message on the attitude of congress and toward the secret service is changing its attitude toward the president, was denied by several members of the committee. One member stated that the committee had not relented and that it "intended to do its duty to the house and the country." He said that the recent utterances supposed to emanate from the White House charging congress with lack of courage had tended to make the committee more determined than ever.

LONGBOAT WINS IN MARATHON CONTEST

Dorando Collapses When Within Sight of Goal.

New York, Dec. 16.—As on that memorable occasion of his first Olympiad, Dorando Petri collapsed within sight of the goal and Tom Longboat the Indian runner, who had been led by a yard or more nearly all the way, won the Marathon race at Madison Square Garden.

The race was hard fought from start to finish and kept the thousands of spectators in wild excitement. At 25 miles Dorando was leading by two yards. A moment before Longboat had made a remarkable spurt and put himself on an even footing with the little Italian. Dorando immediately regained first position and the men were fighting out the twenty-sixth mile with Dorando in the lead, but visibly weaker. The chances of Longboat appeared to improve in the second and third laps. In the fourth lap, while the crowd was crying itself hoarse, both men slackened perceptibly. Then suddenly Dorando staggered and dropped. Longboat finished alone. His time for the distance of 26 miles 385 yards was 2:45:05 2-5.

Capture Another Guardship.

Willemstad, Dec. 16.—The Dutch battleship Jacob Van Heemskerck arrived in this harbor towing as a prize the Venezuelan coast guard vessel "23 De Mayo." A great throng of people lined the quays to witness the entrance of the Dutch battleship conducting her capture within the harbor. The flag of the Netherlands had been hoisted to the peak of the captured Venezuelan coast guardship, and astern of the Dutch flag floated the Venezuelan colors.

Happy Manners.

Manners are the happy ways of doing things; each, once a stroke of genius or of love, now repeated and hardened into usage.—Emerson.
