"Saved Her Life."

Mrs. JOHN WALLEY, of Jefferson, Wis., than whom none is more highly esteemed or widely known, writes: "In 1891 I had a severe attack of LaGrange and at the end of four months, in spite of all physicians, friends and good nursing could do, my lungs and nervous system were so completely wrecked, my life was despaired of, my friends giving me up. I could only sleep by the use of opiates. My lungs and heart pained me terribly and my cough was most aggravating. I could not lie in one position but a short time and not on my left side at all. My husband brought me Dr. Miles' Nerve and Heart Cure and I began taking them. When I had taken a half bottle of each I was much better and continuing persistently I took about a dozen bottles and was completely restored to health to the surprise of all."

Dr. Miles' Remedies are sold by all druggists. Write for free literature, first bottle free, or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

BIDS WANTED.

Sealed Proposals for the Transportation of Spanish Prisoners to Spain Invited by the War Department.

WASHINGTON, July 18.—Sealed proposals are invited for the transportation of the Spanish prisoners of war who surrendered to the United States forces from Santiago de Cuba to Cadiz, or such other port of Spain as may hereafter be designated. Their number is estimated as 1,000 commissioned officers and 24,000 enlisted men. Cabin accommodations are to be supplied for the officers and third-class or steerage accommodations for the enlisted men, as to space and ventilation for the enlisted men. The United States government will deliver the prisoners on board at Santiago. Proposals to state the per capita price for transporting officers and for transporting enlisted men and for their subsistence, and delivering them on shore at the Spanish port.

St. Louis, Mo., July 18.—The republicans of Montgomery county met Saturday and selected delegates to the congressional convention at Paintsville July 27 and instructed them to vote for Hon. W. J. Seitz, of Morgan county.

When Ague Shakes You

you can shake the Ague by using AYER'S AGUE CURE. It is the one certain and infallible cure for that debilitating disease. It has been tried in many countries and under various conditions, and has never been known to fail. An old veteran writes:—

"You may be interested to know my experience many years ago with Ayer's Ague Cure. The year before the war I was in Kansas. Some twenty of us were engaged in farming, and suddenly all were taken with fever and ague. We tried almost everything without getting any help, till at last I sent to the city and procured a bottle of Ayer's Ague Cure. I recovered at once. The others followed my example, and they, too, recovered. Every one in camp took the remedy and was cured by it. I went all through the war, have lived in thirteen different states of the Union, and have never had the ague since."

O. B. SMITH, St. Augustine, Fla.

There's only one thing to get for ague: Get AYER'S AGUE CURE.

COUNCIL OF WAR.

Proposed Invasion of Porto Rico and the Dispatch of Watson's Squadron to Spain Considered.

WASHINGTON, July 18.—A council of war was begun at the white house at 10:15 o'clock Saturday morning. There were present Secretaries Alger and Long and the members of the war board, consisting of R. Adm. Sigsbee, Capt. Crowninshield and Capt. Mahan. It is supposed that the proposed invasion of Porto Rico and the dispatch of Watson's squadron to the coast of Spain were under consideration.

COMMODORE WATSON.

Secretary Alger, after the conference, said that the government was entirely satisfied with the conditions in and around Santiago, and there was no longer doubt of the surrender of Toral and his army was final and complete. "They have unconditionally accepted our terms," added the secretary, "and the next thing is to provide ships to send the prisoners back to Spain. We will advertise at once for ships to be used as transports. The Spaniards will retain their side arms. That is always customary, and it is the only concession made to Toral."

DISTINGUISHED PRISONERS.

Adm. Cervera and the Other Officers of His Fleet Attend Divine Worship in St. Mary's Catholic Church.

ANAPOLIS, Md., July 18.—Maryland's ancient capital was crowded Sunday with curiosity seekers who came from Baltimore, Washington and elsewhere by rail and by water in the hope of getting a peep at Adm. Cervera and the men who fought and lost in the great naval fight off Santiago. Those who reached here early in the morning were rewarded for their trouble, as nearly all the prisoners, including the admiral, attended divine service at St. Mary's Roman Catholic church, where they offered up thanks for their deliverance from the fate that overtook so many of their less fortunate comrades who fell before the relentless fire of the American guns on July 3.

At the close of the services the officers returned to the naval academy

and spent the balance of the day in strolling about the grounds or lounging on the broad piazzas which surround most of the buildings in which the prisoners are quartered. They are rapidly becoming accustomed to their surroundings and seem cheerful and contented. Ample provision has been made for their comfort, their food is plentiful and of the best quality, and clothing will be provided for such as will accept.

Capt. Eulate, of the Vizcaya, is the only one of the officers who has thus far refused to sign the parole pledge. His reasons for it are that Adm. Cervera was only required to make a verbal promise, and that his (Eulate's) rank entitles him to the same privilege. The authorities here have no doubt that the matter will be amicably arranged and that the scruples of the gallant officer may be overcome.

DIED AT SUNRISE.

Clarence Vinegar Hanged at Georgetown, Ky., for the Murder of His Wife.

LEXINGTON, Ky., July 18.—Monday morning at sunrise Clarence Vinegar, colored, was hanged at Georgetown for murdering his wife more than a year ago. He found comfort in religion. He said he was ready and willing to die.

It is 40 years since a legal execution was held in this county. Vinegar's crime was committed in Scott, near this city, nearly two years ago. It was during April, 1897, that Clarence Vinegar, while walking along the highway one Sabbath afternoon, met his wife, Ella Bell Vinegar, in company with some of her young friends. Vinegar was jealous. He had suspected his wife of infidelity; he had previously left her because of this suspicion. On a word he approached the crowd of young people. In a moment, but too late for interference, he rushed upon his defenseless wife, and placing a pistol against her temple, fired, and instantly the woman fell, struggling, mortally wounded. Vinegar knelt down over his dying wife, carefully placed the weapon against her head, and fired another shot into her brain. He arose and walked away a few steps, turned around and walked back again, and to make sure of his purpose, he fired the third shot into the body, in which life was then almost extinct.

Gen. Williams Dead.

Mr. STANTON, Ky., July 18.—Gen. "Cerro Gordo" Williams, so nicknamed on account of his bravery at the battle of that name in the war with Mexico, died Sunday, aged 83 years. Gen. John S. Williams has borne an active part in Kentucky history, but for some time past has been living quietly on his farm near Mt. Sterling. He was born in 1813 in Montgomery county. He served in the Mexican war with distinction, being first a captain and later a colonel and was in command of the 4th Kentucky at the capture of the City of Mexico, in 1847 and 1848; he was a

member of the Kentucky legislature. He opposed secession, yet raised a Confederate regiment and was made a brigadier general and was under Gen. J. Johnston at the surrender. He was elected United States senator in 1874, and served until March 3, 1885. He was defeated by Jos. C. K. Blackburn for the re-nomination in a memorable contest.

Many Lawyers in the 4th Regiment.

LEXINGTON, Ky., July 18.—The 4th Kentucky can boast of having in it more lawyers than there are in any other regiment in the service. They are so thick that one officer said: "In Capt. Corum's company every other man is a lawyer." When this statement was sifted down it was actually found that in the Mason-Brechen county company there are ten privates who are lawyers by profession. Several of the officers of the company, including the captain, are lawyers. Col. Colson, of course, is a lawyer, and Lieut. Col. Murray has a reputation at the bar. Among the others are Maj. Sam Morrow and W. H. Collier, Adj. Bolldrick, Capts. Rose and Stewart and Lieut. Ethelbert Scott. There are also others who have had experience at the bar and who were trying to build up reputations.

Settle the Nominee.

FRANKFORT, Ky., July 18.—Hon. Evan E. Settle was declared the democratic nominee for congress in this district, by Hon. South T. Fumble, executive committee man, acting under orders from the district committee. Settle himself was not here, but was represented by his son and his private secretary. An effort is being made to get Col. William Breckenridge to run as an independent against Settle, but he will probably not run.

Clothes Line Did It.

Mr. STEINBOCK, Ky., July 18.—James H. Gillespie, a prominent farmer of this county, while running to catch a horse, ran into a wire clothes line, cutting his throat from ear to ear, and is in a dangerous condition.
