Glad to see you in the swim, Hillios!
Looking fierce and likewise grim, Hillios!

Christen you with dry champagne, Hillios!
All the insing was in vogue, Hillios!
If, oh! if they had got gay With Chicago river clay You'd be Merrimacked to-day, Hillios!

HER SUMMER'S SCHOOLING.
The soldier boy who left his girl behind,
Retaining none more true than his old friend;
For she can kiss much richer, he will find,
Than when she kissed goodby some months ago.

PARSIP COMPLEXION.
It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffly circles under the eyes, the sallow, puffy-colored complexion indicates it.

"Well, I suppose he did," continued the mother, who was somewhat in doubt; and while he was hesitating about the continuation of the story the boy interrupted:
"And, mamma, did he spit the skins out, too?"

THE ILLS OF CHILDREN.
Dr. Hartman offers his advice to parents on the treatment of coughs and colds.
EARN
to guard against colds. Nearly all the ills of children begin with taking cold. If your child catches cold don't wait a moment before attacking that cold.
To the ignorance or neglect of parents is due the fatal termination of many children's complaints.
If you are not informed as to the proper course to pursue to drive off a child's cold, write to Dr. Hartman, president of the Surgical Hotel, Columbus, O., for advice, and ask for some of his free books which contain the most pertinent facts about colds and contagious and contagious diseases.
Peru-na, Dr. Hartman's great prescription, is wholly vegetable. It wards off colds entirely if taken at the beginning in proper doses, and breaks up settled colds quickly; it is scientific and safe; there is no mystery about it. Dr. Hartman's books tell just how it works and why. All druggists sell it.
Mrs. C. T. Rogers, Elgin, Ill., says: "Dr. S. D. Hartman, Columbus, O."
DEAR SIR:—Your medicine saved my baby's life. We stopped all treatment but yours, and now he is a beautiful boy. It was certainly a miracle.
Mrs. Becking, East Toledo, O., writes to the Peru-na Medicine Co.
DEAR SIR:—Peru-na is the best medicine I ever had in my house. My children had a bad cough, and one of them had the lung fever. I cured them all with Peru-na.
