The man who works for the devil never gets a vacation.
The popular view of the relation of the blood to human character and conduct is warped in many a familiar expression. "Blood" is a term which is used to describe a treacherous nature, and in many another phrase mark our belief in the mental, moral and physical man, "the blood is the life." The one basis of a healthy, happy and useful life is pure blood. With the blood pure, disease has no permanent lodging place in the system. For this reason the use of Dr. Pierce's Golden Medical Discovery cures the body of disease. It is a blood purifier. It purifies the blood, carrying off the waste and poisonous matter, increasing the vitality of the blood-making glands, and building up the body by supplying the blood in quantity and quality such as is essential to health. It cures every ninety-eight people out of every hundred who gives it a fair trial.

"You May Bend the Sapling, But Not the Tree."
When disease has become chronic and deep seated it is often difficult to cure it. That is the reason why it is best to take Hood's Sarsaparilla when disease first shows itself in pimples, blotches, indigestion, or other troubles which tell of poor blood, weak stomach or disordered liver or kidneys. This is attacked by cholera morbus, the whole system. It never disappoints.
Hood's Pills are the favorite family cathartic.

The specific remedy for troubles of blood, kidney, stomach, liver, is Hood's Sarsaparilla, the great blood purifier.
A "Jack-the-potter" is causing excitement at Vaucuburg.
A free and easy expectation is produced by a few doses of Casson's Honey of Tar, in all cases of Hoarseness, Sore Throat, or difficulty of breathing. Price 25 and 50 cents at Perry & Thomas' drug store.
Harrisburg has a street corner which is called "Dead Man's Corner."
What Not to Say.
Do not say "I can't eat." Take Hood's Sarsaparilla, and say, "I am hungry all the time, and food never hurts me."
Never say to your friends that you are as tired in the morning as at night. If they happen to be sharp they will tell you Hood's Sarsaparilla cures that tired feeling.
Do not say, "My face is full of pimples." You are quite likely to be told by some one, "There's nothing to do for Hood's Sarsaparilla cures pimples."
It is improper and unnecessary to say, "My health is poor and my blood is bad." Hood's Sarsaparilla will give you good blood, and a good health will follow as a natural consequence. Aug 2-11
About a month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and he was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Summit, Gilmer county, Va. For sale by Perry & Thomas, druggists, Aug 2-11
